# *We May Never Pass*

## *This Way Again*

Life so they say is but a game  
And they let it slip away.  
Love, like the Autumn sun  
Should be dying  
But it's only just begun.

Like the twilight in the road up ahead  
They don't see just where we're going.  
And all the secrets in the universe  
Will take us up, always up.  
We may never pass this way again.

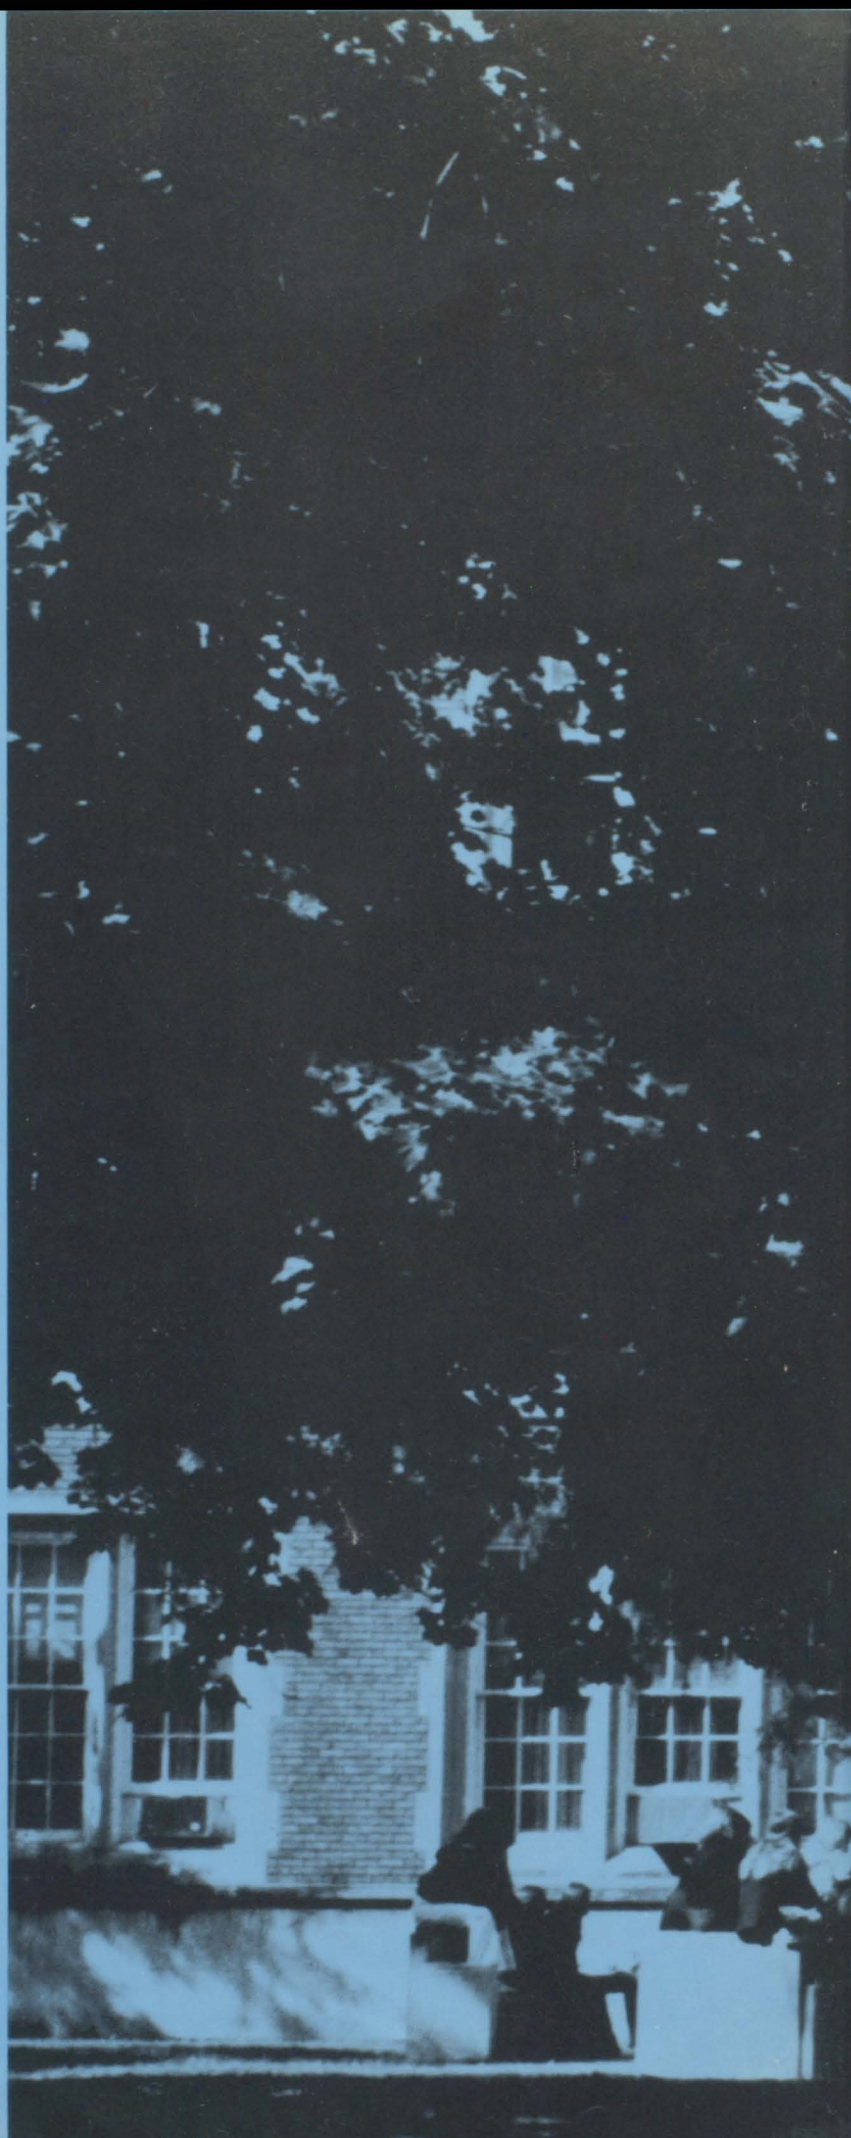

Dreams so they say are for the fools  
And they let them drift away.  
Peace, like the silent dove, should be flyin'  
But it's only just begun.

Like Columbus in the olden days  
We must gather all our courage,  
Sail our ships out on the open sea  
Cast away all our fears  
And the years will take us up always up.  
We may never pass this way again.

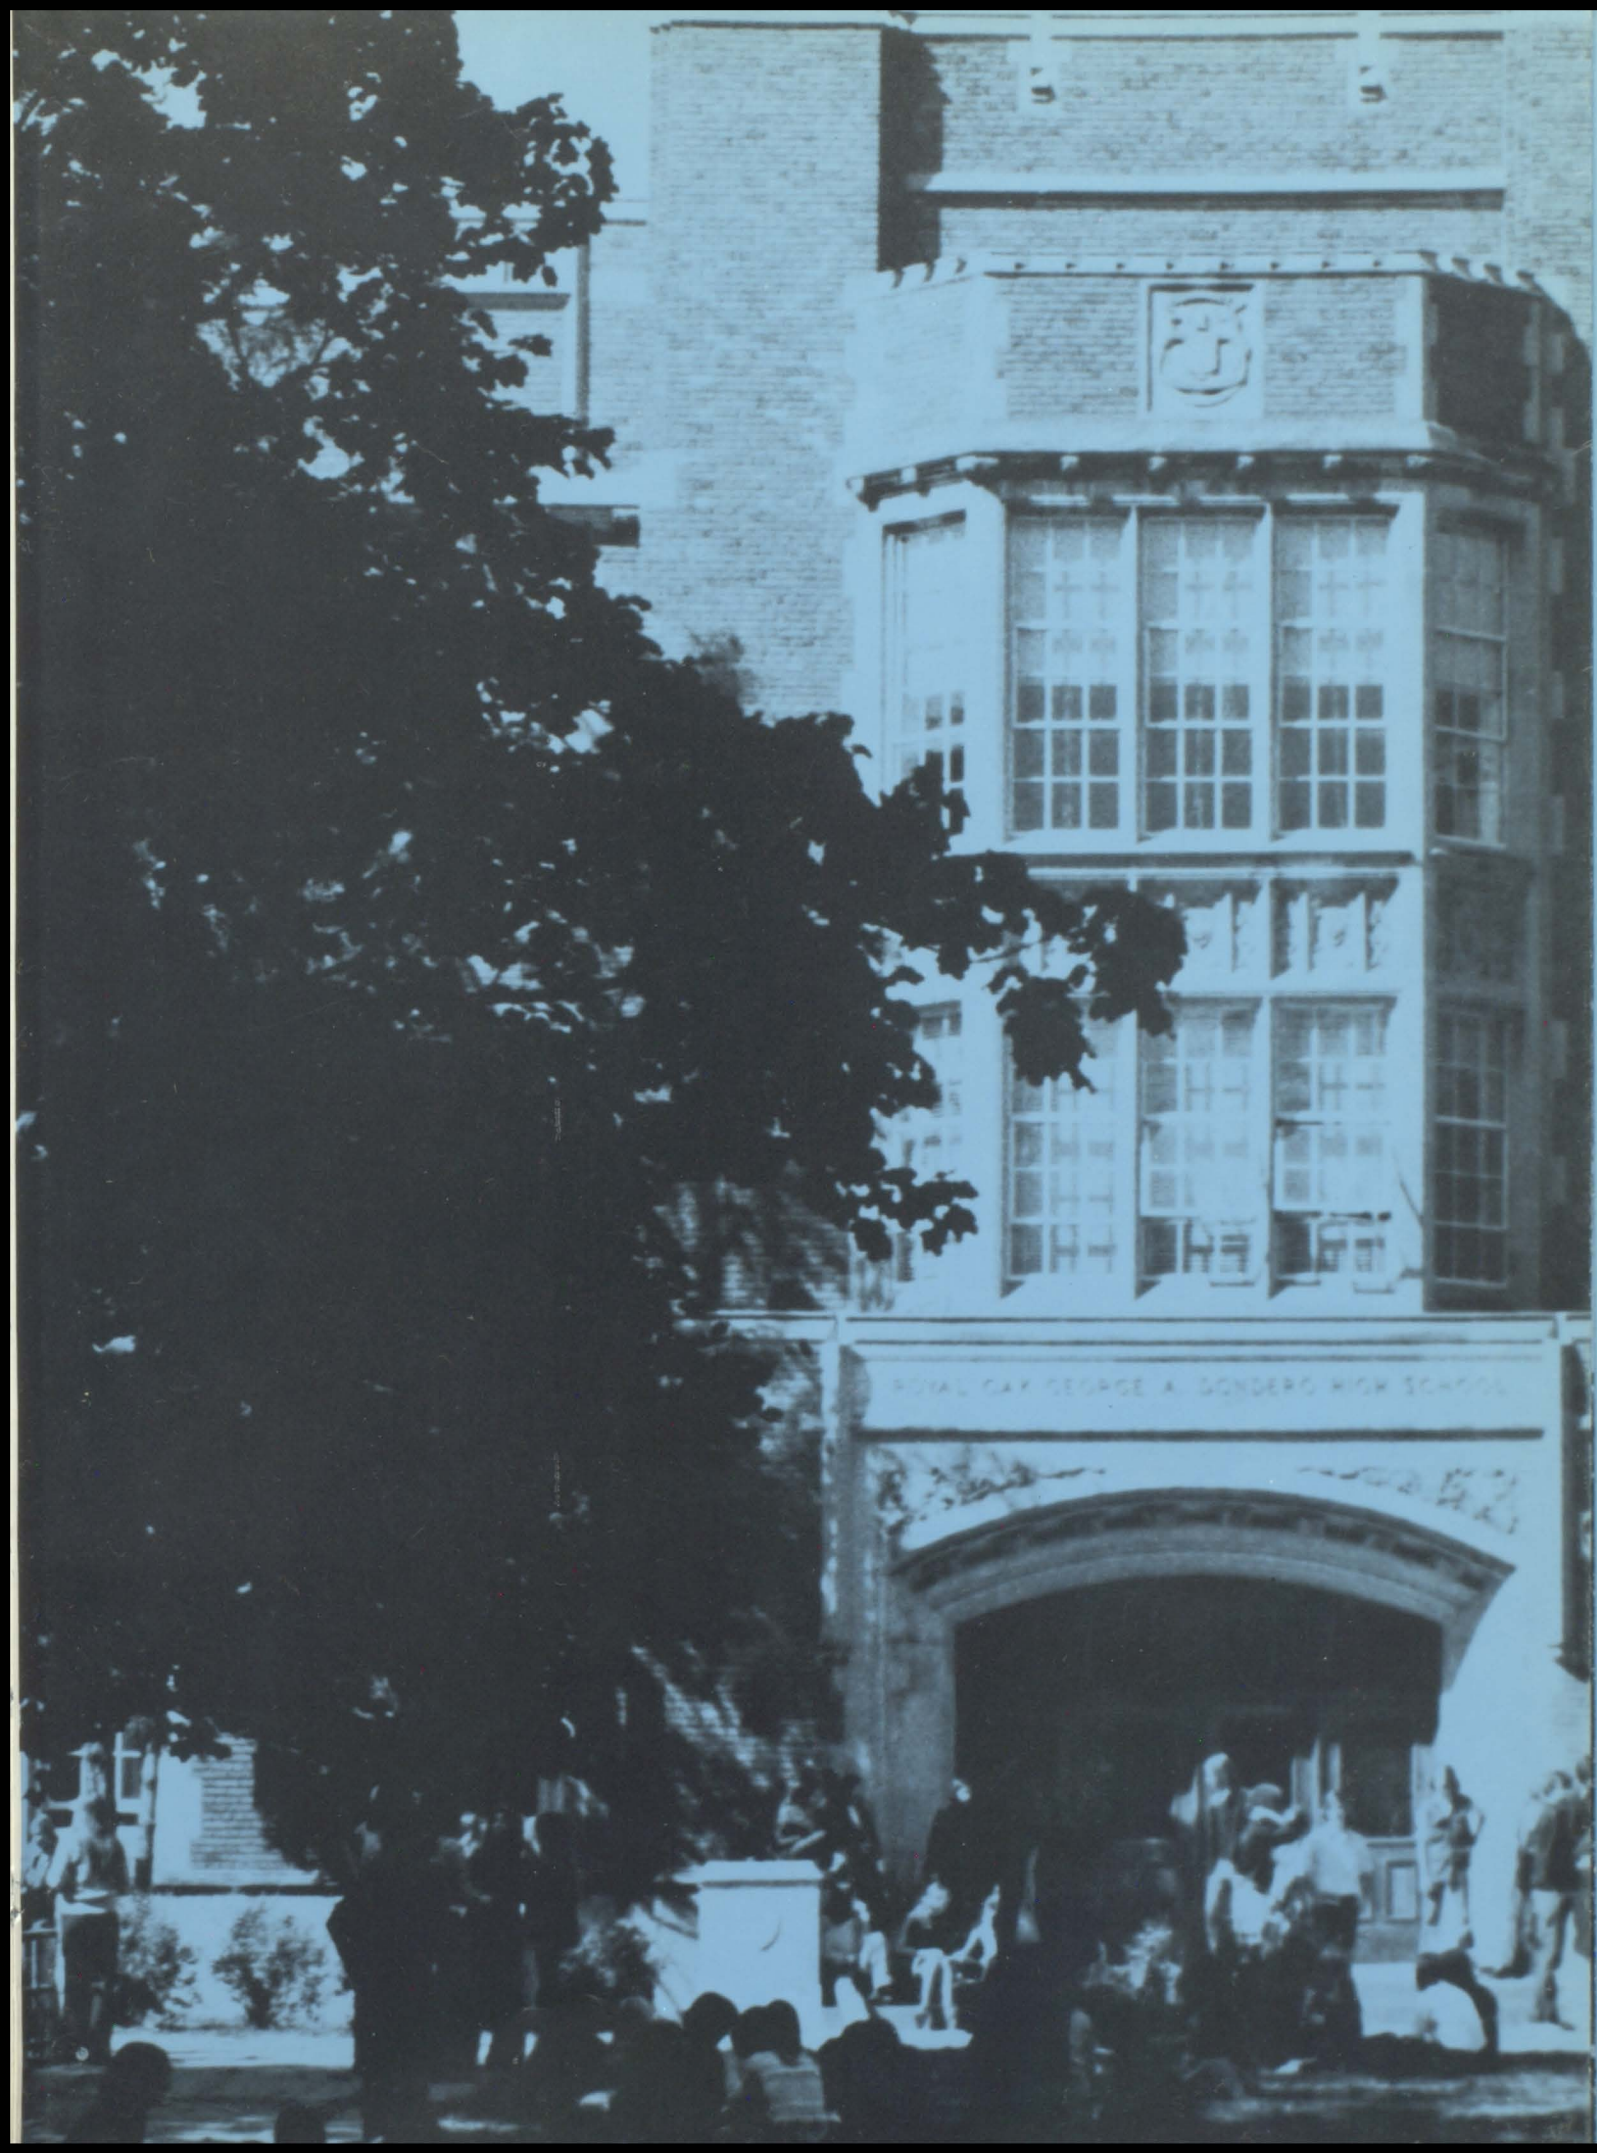

I wanna laugh while the laughin' is easy.  
I wanna cry if it makes it worthwhile.  
I may never pass this way again.  
That's why I want it with you.

Cause you make me feel like I'm more than a friend.  
Like I'm the journey and you're the journey's end.  
I may never pass this way again.  
That's why I want it with you.  
We may never pass this way again.

Memories

Light the corners of my mind

Misty water color memories

Of the way we were.

Scattered pictures

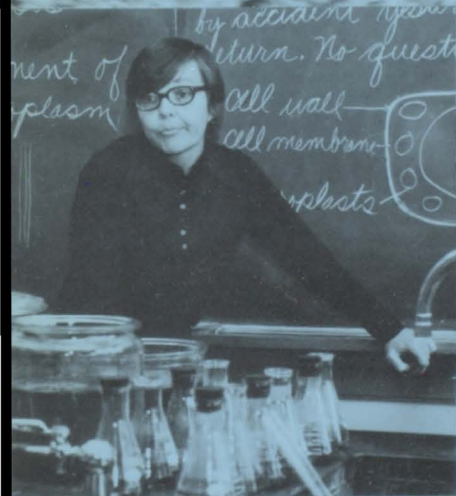

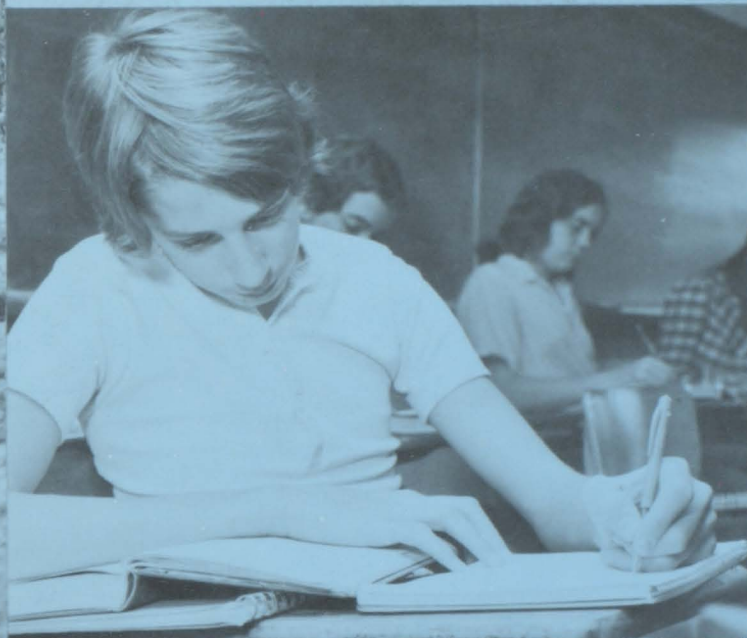

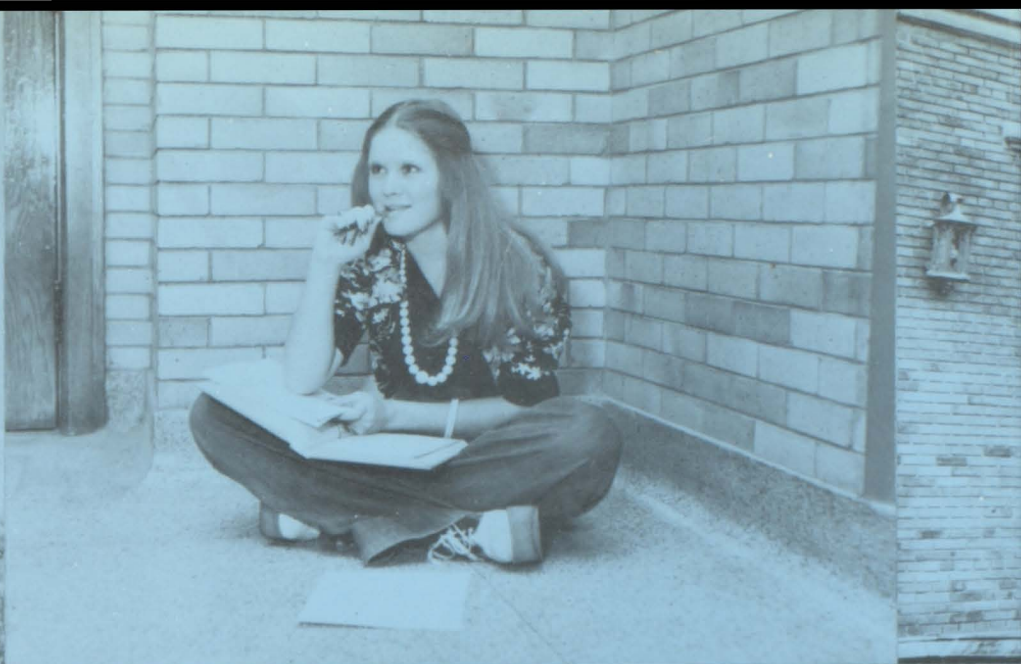

Of the smiles we left behind

Smiles we gave to one another

For the way we were . . .

. . . Can it be that it was all so simple then,  
 Or has time rewritten every line?  
 If we had the chance to do it all again,  
 Tell me would we,  
 Could we? . . .

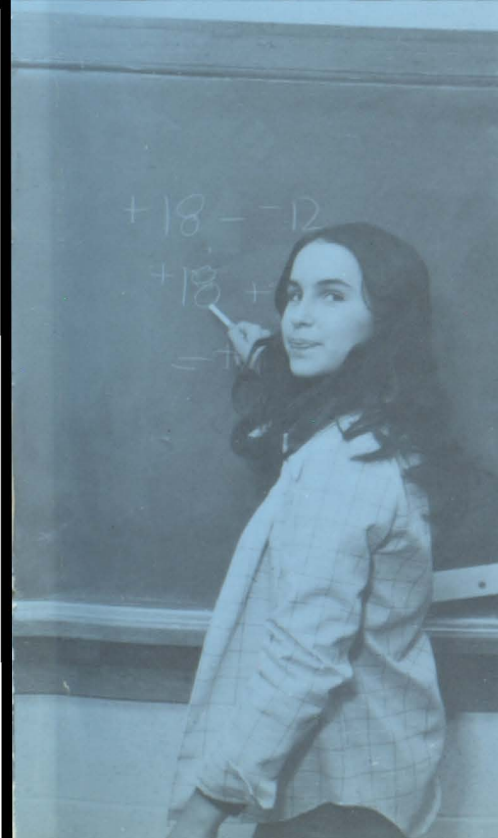

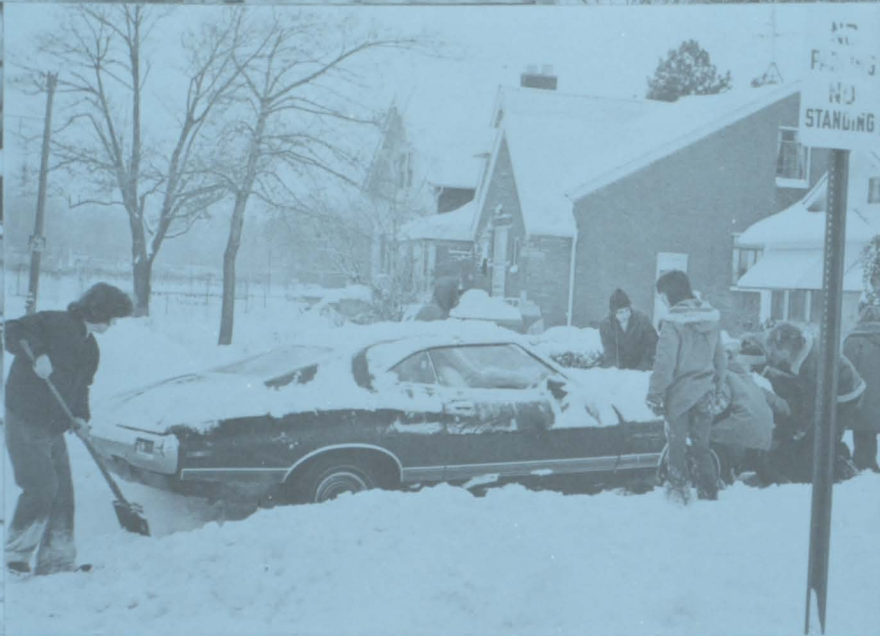

ROYAL OAK GEORGE A. DONDERO HIGH SCHOOL

... Memories

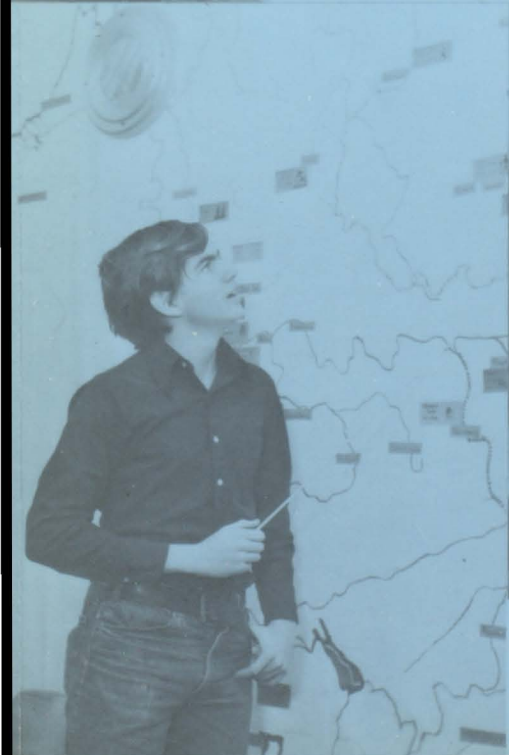

May be beautiful and yet

What's too painful to remember

We simply choose to forget ...

... So it's the laughter

We will remember

Whenever we remember

The way we were

The way we were.

Detroit—our mother city.

As we leave the halls of Dondero many of us will be venturing out of the motor city and her suburbs.

When we settle or visit the other states and countries, people will ask where we've come from.

And more than often, we'll begin to answer not with "Royal Oak," but with "Detroit."

After several years of hibernation the Dondero Debate Team has sprung to life again this year. The team's ten members debated the topic; "Resolved: That the federal government should provide a program to employ all employable U. S. citizens living in poverty." Dondero's Forensic's Team also had not participated in inter-scholastic competition for several years. But an eager squad of 15 members traveled to the East Detroit Shamrock Festival, the Metro Suburban Tournament and the District Meets. The speaking events represented by Dondero included humorous reading, serious reading, story telling, oratory, extemporaneous speaking and radio speaking. Mr. Peter Volez coached both debate and forensics this year.

### Winds of Fate

One ship drives east and another drives west,  
While the self-same breezes blow;  
It's the set of the sails not the gails,  
That bids them where to go;  
Like the winds of the seas are the ways of fates,  
As we voyage along through life;  
It's the set of the soul that decides the goal,  
And not the storms or the strife.

Eighty-seven new members were inducted into National Honor Society on February 7, 1974 in the Dondero auditorium. The event was planned by advisor Mr. Beinstock and the 1973-74 officers, President Alan Goldenhar, Vice President Diana Fortuna, Secretary Dianne Gorte, Treasurer Robin Martin and Historian Sue Hurd. Afterwards, there was a banquet held in the cafeteria for students and parents to talk to Dr. Hufziger and Mr. Shader.

# Logomachia, Mock United Nations

Logomachia, like College Bowl, is based between two teams which consist of our Seniors and Juniors. They answer questions from many fields and subjects in a limited amount of time. The Seniors are Diana Fortuna, Alan Goldenhar, Lori Meyer, Tom Lent, Mark Kearns and Mark Oppenhuizen. The Juniors are Joanne Pawlowski, Jeff Vahlbusch, Bruce Brunsdon, Don Berry, Alice Sterkel and Sue Silagi.

The Mock United Nations was planned to involve the entire student body. It is this year's annual N.H.S. production.

## 'The Dondero Band

The Band marched many rainy, muddy Friday nights, but pulled through with a season to be proud of.

Practicing long and hard on cold, damp mornings does pay off, in reward of efforts.

Without the Marching Band, there would be no one to lead our Homecoming parade and no exciting Halftime shows.

Being in the Band helps build leadership, and putting all effort into one cause gives great satisfaction.

"One of the finest marching bands ever . . ."

There are many aspects to Instrumental Music. As seen on previous pages the Marching Band is one aspect of the band. But when football season is over, the bands move on to bigger things; concert season. Winter and Spring concerts are performed, and the bands participate in District and State festivals.

So when the weather gets bad, the band doesn't pack up and quit until next year. They get BUSY on a new season!

The Dondero Drama Club presented "The Diary of Anne Frank" in our auditorium on November 16 and 17.

The play told the story of eight Jews who were hiding out from the Nazis during World War II. The story was told through a diary written by Anne Frank, the youngest girl in the Frank family, who hid with their friends, the Van Dannels. Their only leak to the outside were two Dutch people.

The play showed how these people lived and their final doom of being found and captured by the Nazis.

The cast did a very good job with most of them having former acting experience. English teachers, Mr. Quesnelle and Mr. Higgins were the directors of this successful play.

# Home Economics

For many years Home Economics was considered only a class that young women should take to learn the methods of becoming a proper housewife. This, however, is no longer so. The male is now being seen in not only cooking and sewing classes, but also in Child Development. Women's Lib has made this possible, and the guys seem to enjoy it.

# Homecoming 1973

Beaming faces, excited fans, and spirited alumni packed Dondero's football stands to capacity as the 1973 Homecoming festivities got underway.

The delightful evening began with the Autumn Auto Annual parade as the Royal Oak Dondero marching band led the Walt Disney floats and the Homecoming Queen candidates and their escorts to the stadium.

The band executed a lovely halftime show preceeding the crowning of Senior Queen, Jamie Philp.

Adding to the magic of the evening, the Oaks routed Southfield Lathrup 33-0 pushing ahead for the league title.

At the after-game dance the winning floats were announced. Seniors won top honors with Snow White and the Seven Dwarfs, the Sophomores followed closely with Donald Duck and the Juniors placed third with the Legend of Sleepy Hollow.

# DONDERO WINS AGAIN: 7-0!

*Here comes Ivy!*

*John Bro demonstrates the proper way to eat peanut butter.*

The usual cross-town rivalry between Kimball and Dondero accompanied by the excitement of Spirit Week, fired up the Oaks for their second consecutive victory against Royal Oak Kimball.

The Acorns scored in the second half of the game as Bob Range threw the winning touchdown pass to Mark Sommers. Frank Carr made the extra point. The final score was held at 7-0.

Preceding the game a pep assembly was held and the Pep Club introduced their new mascot, an elephant, named after a coach of our own heart, Ivy.

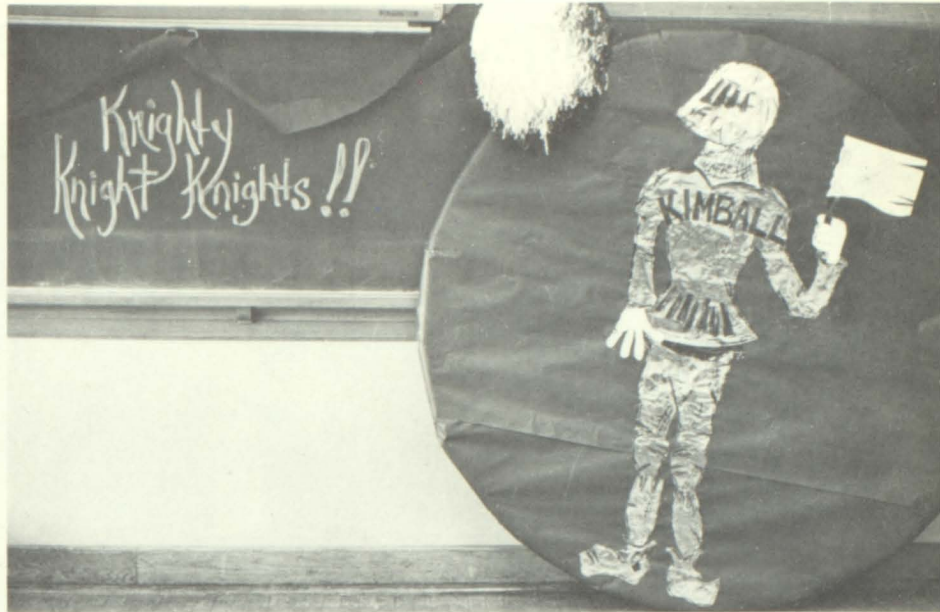

During the course of Spirit Week Dondero students were unable to steal the Kimball rock, but that didn't stop Kimball from doing their usual decorating job on DHS!

The Junior hall was announced as the best decorated hall with Freshmen, still trying. The day of the big game, students wore outfits to represent their class and to set aside this day as an important one. Freshmen wore crazy ties; Sophomores, crazy ties and funny hats; Juniors, crazy ties, funny hats, and funny socks; and Seniors dressed in style with '74' jerseys plus all the added extras.

# The Varsity Letterman Club

Some of the original members of the Varsity Letterman Club; STANDING: Sue Frank, Karen Goodman, Sheryl Hancock, Sue Jolin. KNEELING: Joyce Mathews, Linda Haglund, Vicki Martin.

The Varsity Letterman Club was originated this year by the girl's gym coaches as the female counterpart to the boy's RO Club. Now that girls are earning varsity letters in sports, they formed a club for interested letter winners. The club hopes to grow and establish itself at Dondero for female athletes wishing to join for years to come.

President—Joyce DeWolf

Vice President—Joyce Mathews

Secretaries—Vicki Martin Cindy Polowski

Treasurer—Linda Haglund

The boy's RO club did their share of work as usual. Besides participating in sports, they sold pop, penants and programs at athletic events. In January they treated 18 underprivileged 9 year olds from the Royal Oak Boy's Club to a basketball game and in March they held a Faculty-RO Club game to raise funds for people in the Appalachian Mountains. The Club also attended a Pistons game and a U of M football game.

# Pep Club works for school spirit

After a two year absence, the Pep Club was revived this year. The members, along with their sponsor, Mrs. "Spirit" Swets, have devoted much of their time stirring up needed enthusiasm and helping promote school spirit at Dondero.

The club provided skits at pep assemblies, cheering in the stands at games, making signs, and selling buttons and shakers. They also staged contests to get students involved; such as the one naming "Ivy" the spirit elephant, and the most spirited boy and girl.

# Forestry Clubs

Under the direction of Mrs. Blagborne, the Girl's Forestry Club was created. Its first year has been a very productive one, working hard at bake sales and on their Valentine's Day carnation sale to raise money for club activities. Outings included weekend camping and canoe

trips.

Although not pictured, the Boy's Forestry Club was also very active. They camped, canoed, took a swim at 6 AM, sponsored a dance, and went on a ski trip.

# Ski Club Travels to Utah

Members of the Ski Club enjoyed many Thursday afternoons on the snowy slopes of Mount Holly this year.

Aside from these weekly trips, 40 members spent Christmas vacation in Utah. It was over a year in the planning, but on December 28 ski clubbers flew to Park City for a seven day holiday in the snow. They stayed at the Claimjumper hotel when not on the slopes. Despite a little rain and the threat of avalanches, the kids got in plenty of skiing and good times.

The club also took their annual weekend trip to Caberfae in February.

# Senate Sets Goals for 1973-74

Keeping things together and representing the whole student body is the basic job held by Senate.

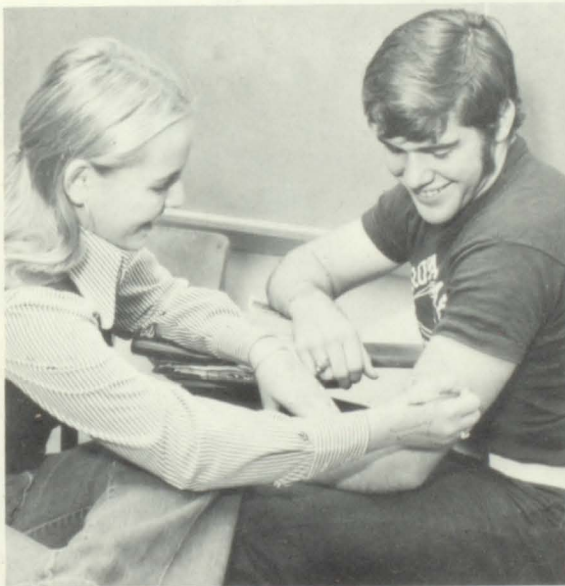

Senate is a group of concerned and involved students who work together for the better of the school with Dondero's young people in mind.

Their main hope is to establish communications between the classes and clubs and to fill any gaps within school.

Other Senate-sponsored activities are after-game dances, school pictures, Big-time Wrestling, careers, and sock hops.

LEFT TO RIGHT: Linda Boyer, Jim Hart, Martha Barrett; Treasurer, Mary Tomezak; President, Sue Churchill; Corky Lane; Parliamentarian, Kim Fritsch; Craig Ingraham, Kim Robertson, Bill Chamberlain, Robin Gamble, and Vice President, Dennis Kasproicz.

President, Sue Churchill, and Vice President, Dennis Kasproicz, are thinking hard.

# Foreign Exchange Club

Foreign affairs are not so foreign to International Exchange Club members. The cultures of far away places are brought here under the guidance of Mrs. Jane Logan and Mr. Robert Stevens.

The club tested a German cuisine at a German restaurant and also went on an excursion to Greek Town.

In an effort to raise money for future scholarships, the members sponsored a variety of sales from bagels to Cracker Jacks.

Early in the year Dondero was visited by four Canadian Exchange students from Bleinham, Ontario. The students, all girls, explored the halls of an American school for a day.

The club's hopes were fulfilled in the second semester with the arrival of Sweden exchange student, Senior, Yvonne Sundstrom. Yvonne made her American home with Dondero student, Linda Davis.

## Medical Careers Club

The Medical Careers Club was formed by President Terry Young, and joined by students interested in the medical profession.

The club has visited places such as Veterinarian's Hospital, the medical facilities at Wayne, and Grace School of Nursing. They have also been exposed to in-

fluent visitors from the medical profession.

First-aid classes are being conducted in order to teach the basic life-saving procedures. They were held for a period of seven weeks by Red Cross instructor, Chuck Briggs.

Mrs. Barbara Willson is coordinator of the club.

President Terry Young, Treasurer Len Meraw, Secretary Donna Meyer, Activities Coordinator Alan Goldenhar, and V.P. Sally Klepach look up careers in the library. Tom Lent, also Activities Coordinator, took the photo.

# Foreign Language Clubs Hold Festival

*Leonard Meraw, David Hirsch, and Margaret Scheibner sell bagels to help the German Club.*

On May 4 the Spanish, French, and German clubs united in sponsoring the International Festival here at Dondero. All students were invited and provided plenty of food, fun and entertainment.

Each of our foreign language clubs has become involved in foreign activities. The French Club traveled to Montreal for a 3 day vacation in April, the German Club hosted the statewide convention for the National Federation of Students of German, at Wayne State, and the Spanish Club had plans of supporting a foster child in a Spanish speaking nation.

The clubs also did a lot for their own fun; Christmas caroling, visiting ethnic restaurants and cities, even selling candy bars, bagels and gummy bears. It was a very active year.

*BELOW: What do Mary Ellen Karr, Sue Hurd, Tom Stretlien, and Dave Preece really do at Frenz hardware store??*

Growing responsibilities seem to apply to the large number of employed young people. Students, along with their many time-consuming classes, take on after school jobs in an effort to be their own selves.

Part-time jobs not only provide students with extra money but also provide them with other social benefits.

Jobs enable young people to experience the world as they will in future years and helps introduce them to after-high school life.

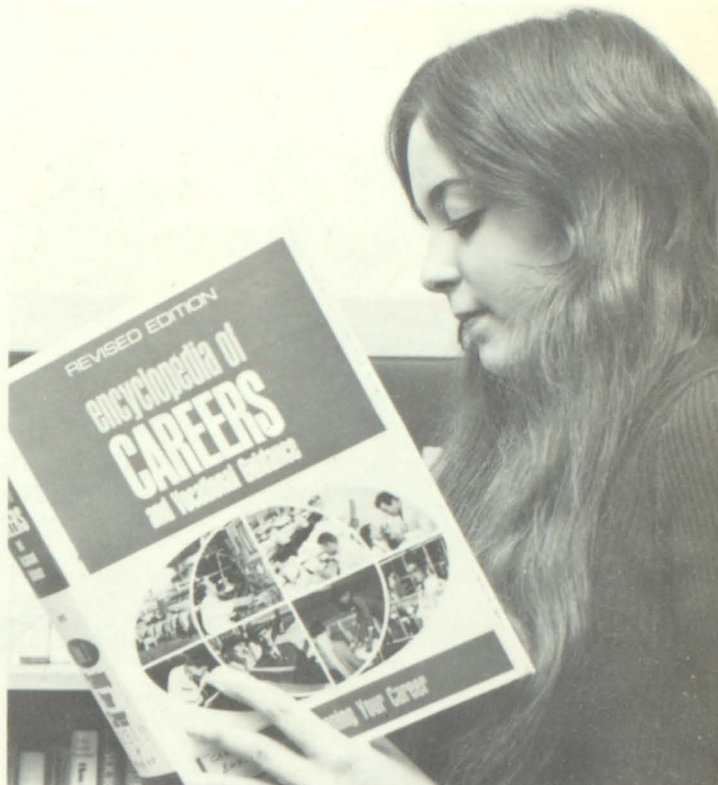

Working also serves as an outlet for meeting new and interesting people and for getting along in a fresh kind of atmosphere.

# HOMECOMING 1973

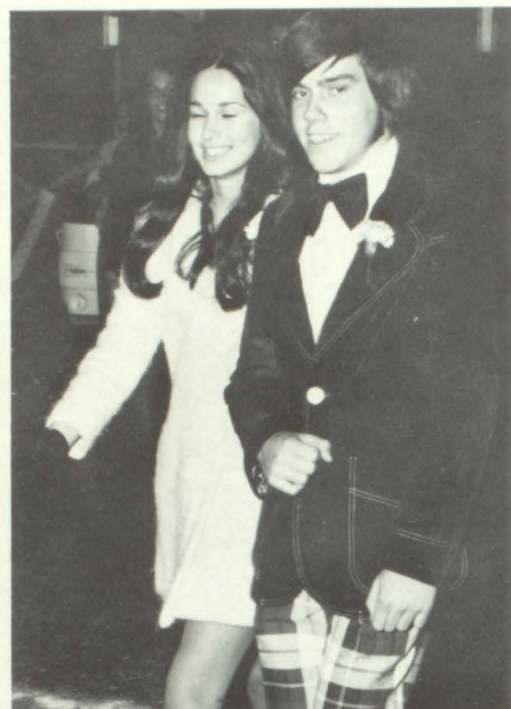

... October 19th was a cool crisp night, perfect for the Homecoming Festivities. All were present for the occasion, students, parents, alumni, and faculty. There was an air of excitement as the five finalists took the field. Then came the announcement, "the 1973 Homecoming Queen is ... Jamie Philp!"

To top off the evening the Oaks beat Southfield Lathrup 35-0 in an exciting game.

Afterwards everyone enjoyed themselves at the traditional homecoming dance. During the dance the Float award was given and naturally the Seniors won!

*Joan Anderson and escort Jeff Parent await the big moment.*

*"Was it reality or just a dream I wanted to be?" asks the newly crowned Queen, Jamie Philp, of her escort Bill Bechek.*

*"All I want to do, pretty lady, is to see you smilin' too," says Sue Gurney as she crowns Jamie Philp.*

Jamie Philp is an active member of the Senior class. She is our class secretary and participates actively in all school functions. Jamie is also the Vice-President of the orchestra and a French Club member.

Jamie's first words as she left the field were, "They didn't tell us what to do if we won"; but as usual things went smoothly with Jamie.

Jamie would like to extend her thanks to the Senior class for their friendship and sincerity at this time and throughout the school year.

Jamie hopes that through the continuation of these activities the old concept of "school spirit" can be fulfilled.

# B A H A M A S

Last year's Senior class chose Montego Bay, Jamaica for their trip but because of problems they went to the Bahamas instead. They had a very memorable experience. With that in mind, this year's Senior class chose Freeport, Bahamas for their trip. It should again prove to be an exciting trip with many things to do and see.

The chaperones are Mrs. Murphy, Mrs. Schultheiss, Mr. Fisher, and Mr. Pishko.

Now comes the hard part, waiting for April and FREEPORT, BAHAMAS!

*Sue Grudzen tries to look as much like a movie star as she can.*

*A Bahamas poster helps to beautify Dondero.*

*Gayle Gray wonders if a new racket will help her game any.*

*Dean Farmer flashes a winning smile as he models his favorite pair of skis.*

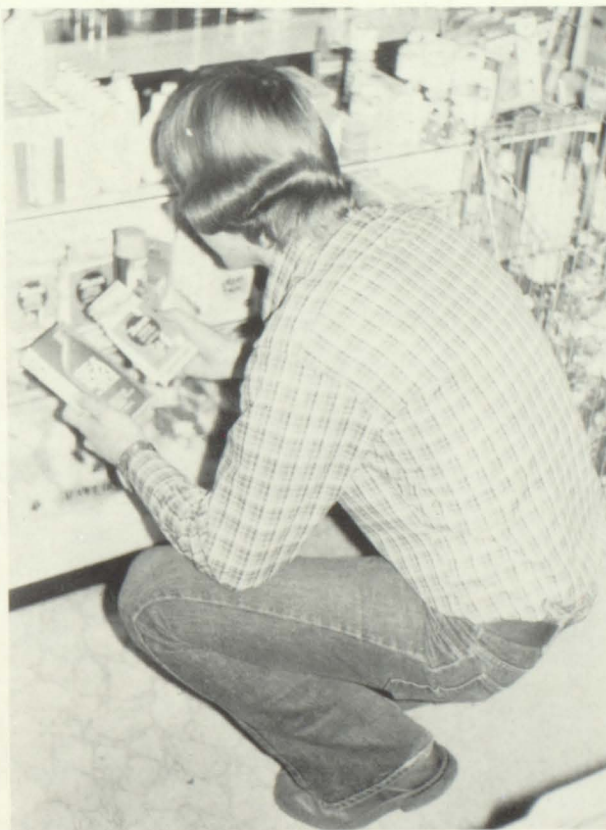

## BAHAMAS

*Gayle Gray and Sue Grudzen are distressed over the high price of bathing suits.*

*Is it the creep from the deep or is that just Dean Farmer?*

*Gary Juhlin wants to make sure he gets the deepest, darkest tan.*

# UNDERCLASSES

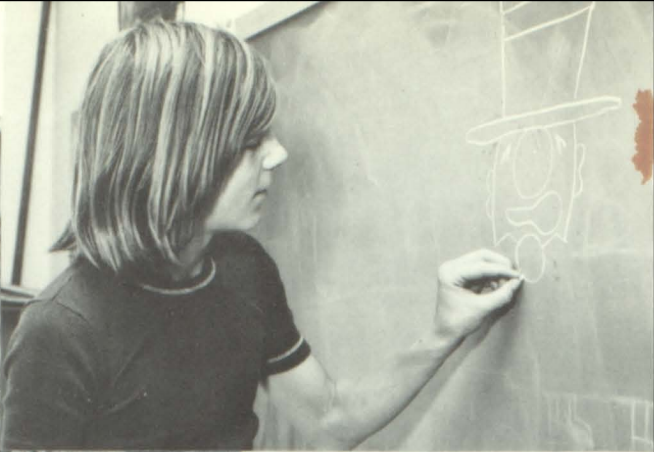

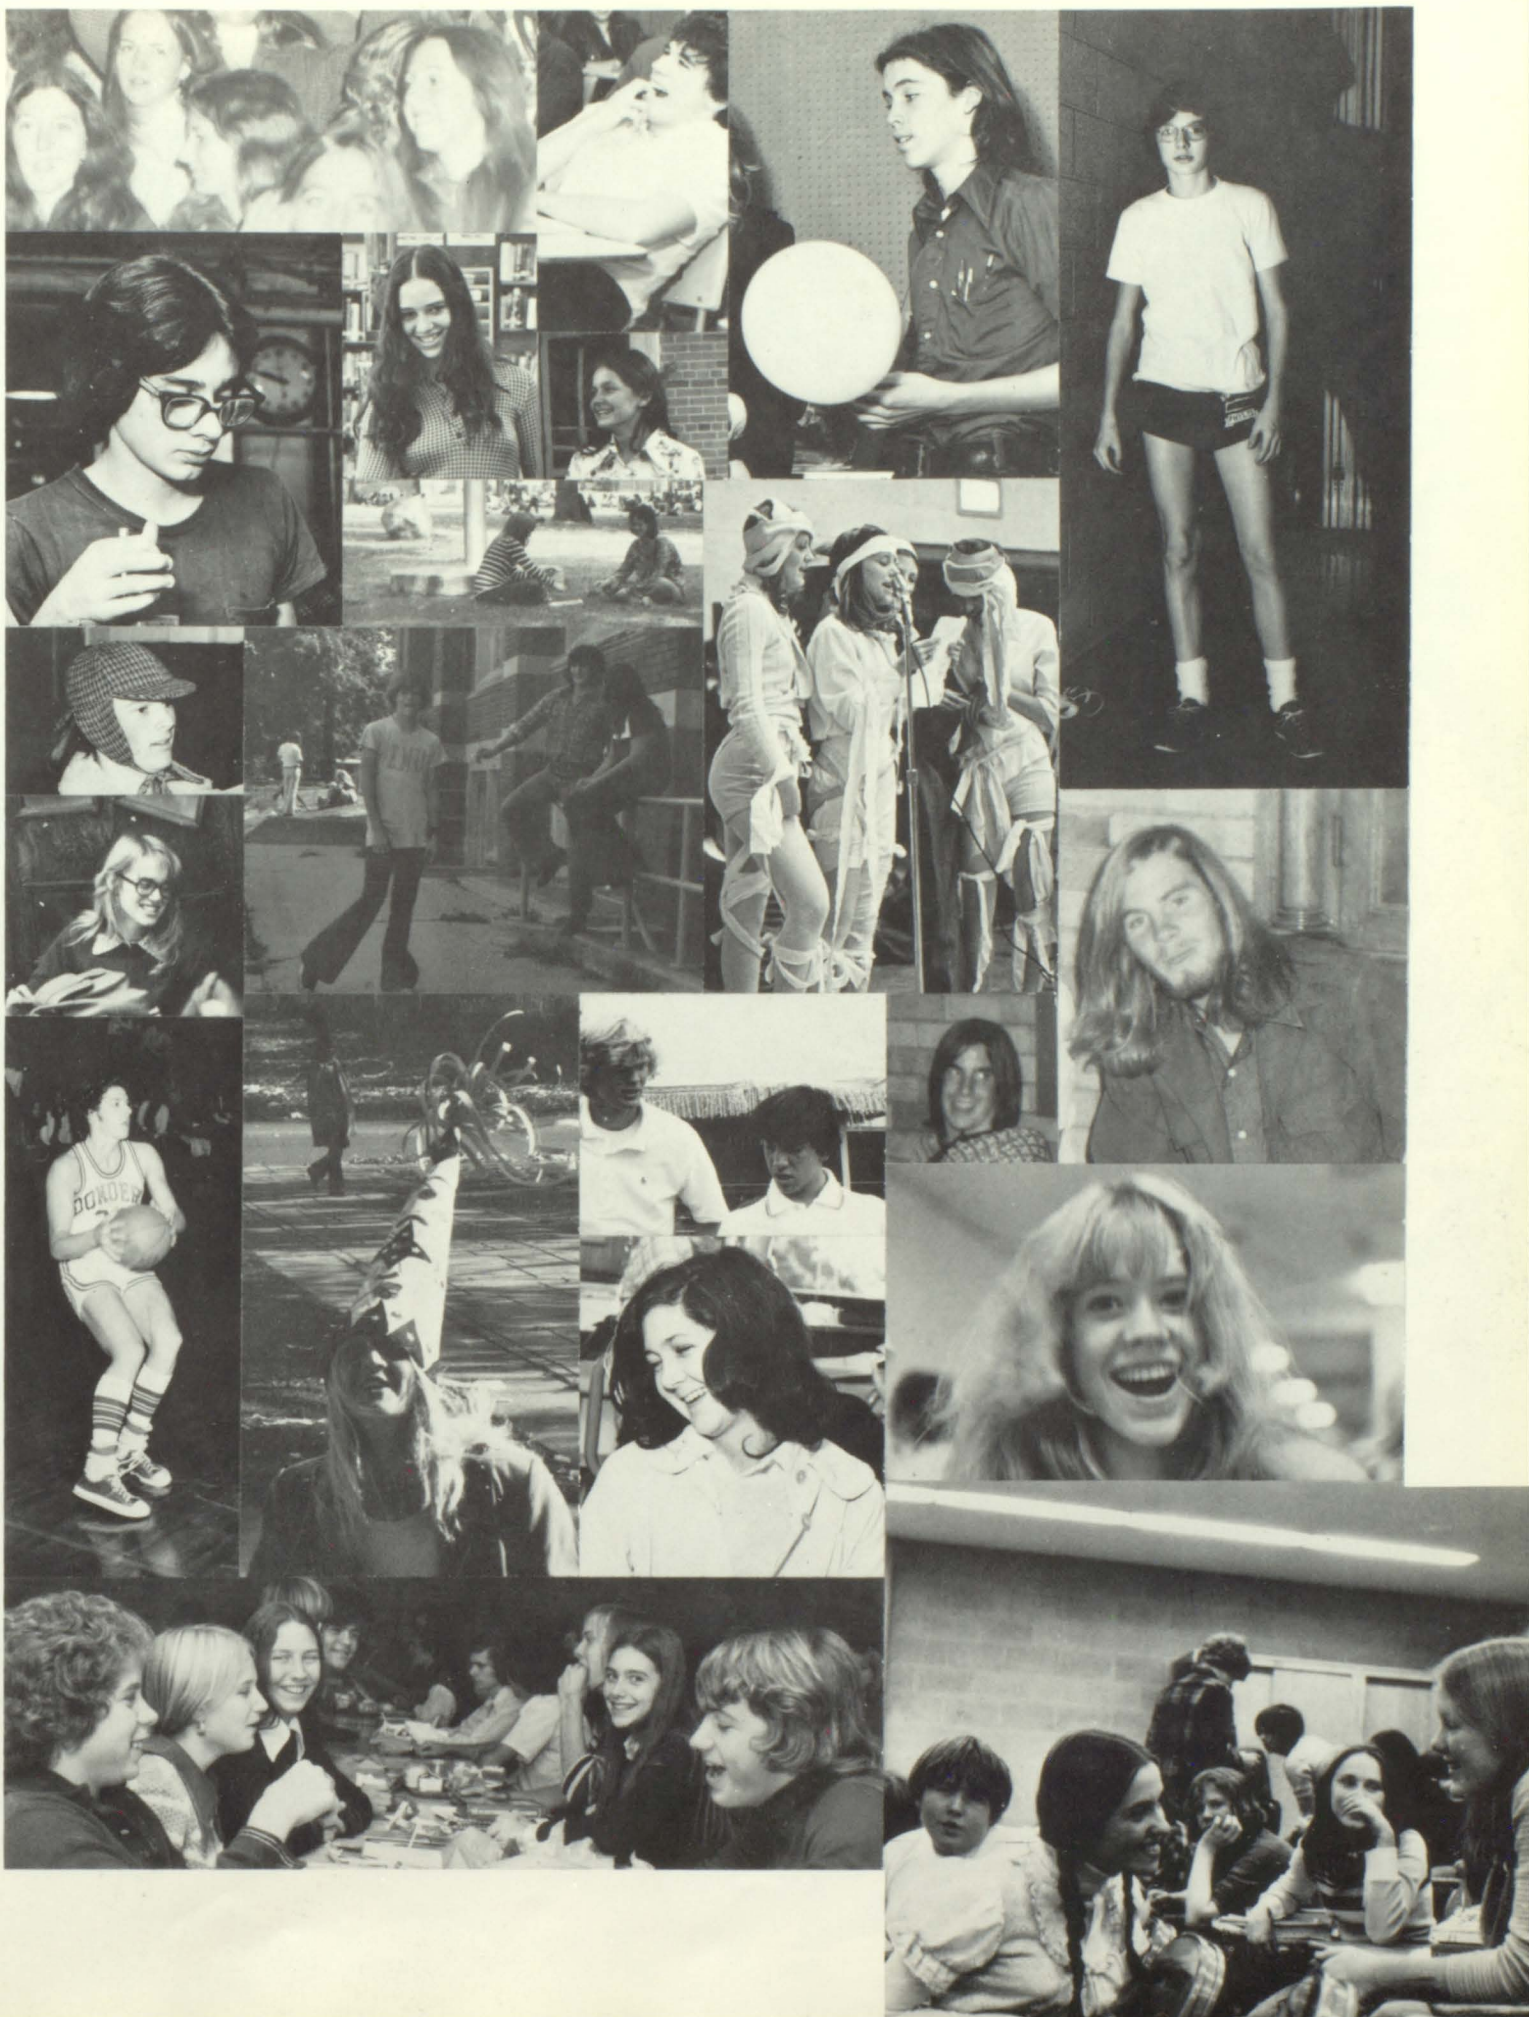

Life so they say is but a game  
And they let it slip away  
... But it's only just begun

# JUNIORS

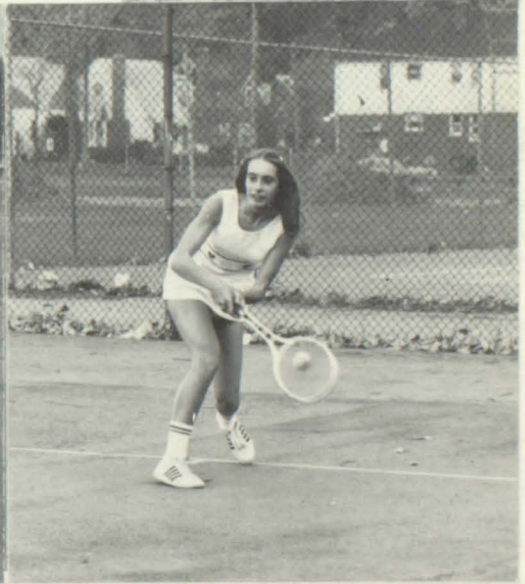

You got to learn how to fall  
Before you learn to fly  
And mama, mama, it ain't no lie  
Before you learn to fly  
Learn how to fall.

You got to drift in the breeze  
Before you set your sails  
It's an occupation where the wind prevails  
Before you set your sails  
Drift in the breeze

Oh and it's the same old story  
Ever since the world began  
Everybody got the runs for glory  
Nobody stop and scrutinize the plan  
Nobody stop and scrutinize the plan

# SOPHOMORES

Last nite at a friend's house  
A little girl was there  
She stood in the doorway  
Playing with her hair.

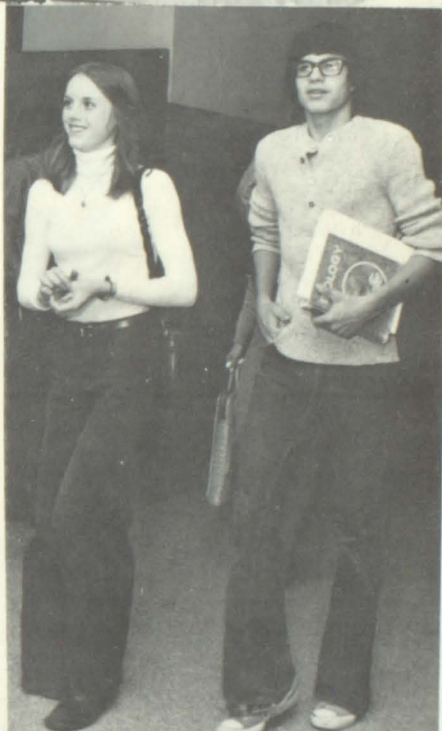

She looked up at me  
as if I could do no wrong  
as I stood and sang my song.

I sang with a shiver  
In my throat and in my knees  
Feeling just as small  
as a thistle in a breeze.

But the child's imagination  
Carried me along  
and saw me through my song.

See, I've just gotten older  
I've just gotten taller  
And the little ones they call me—  
a grown-up.

*"At first I hated school,  
but by and by  
I got so I could stand it.  
Whenever I got uncommon tired  
I played hooky,  
and the hiding I got the next day  
done me good and cheered me up.  
So the longer I went to school  
the easier it got to be."*

# LET'S TAKE A GOOD LOOK AT EACH OTHER . . .

We know a young man just out of school has more on his mind than just a job these days. He's concerned about his world. He's looking at the future. And he's looking for a way to do something about it.

We're looking at the future too. In fact we're dedicated to it. And we're looking for people who feel the same way.

You see, there's more to the Air Force than good pay, guaranteed jobs and valuable skills. There's also

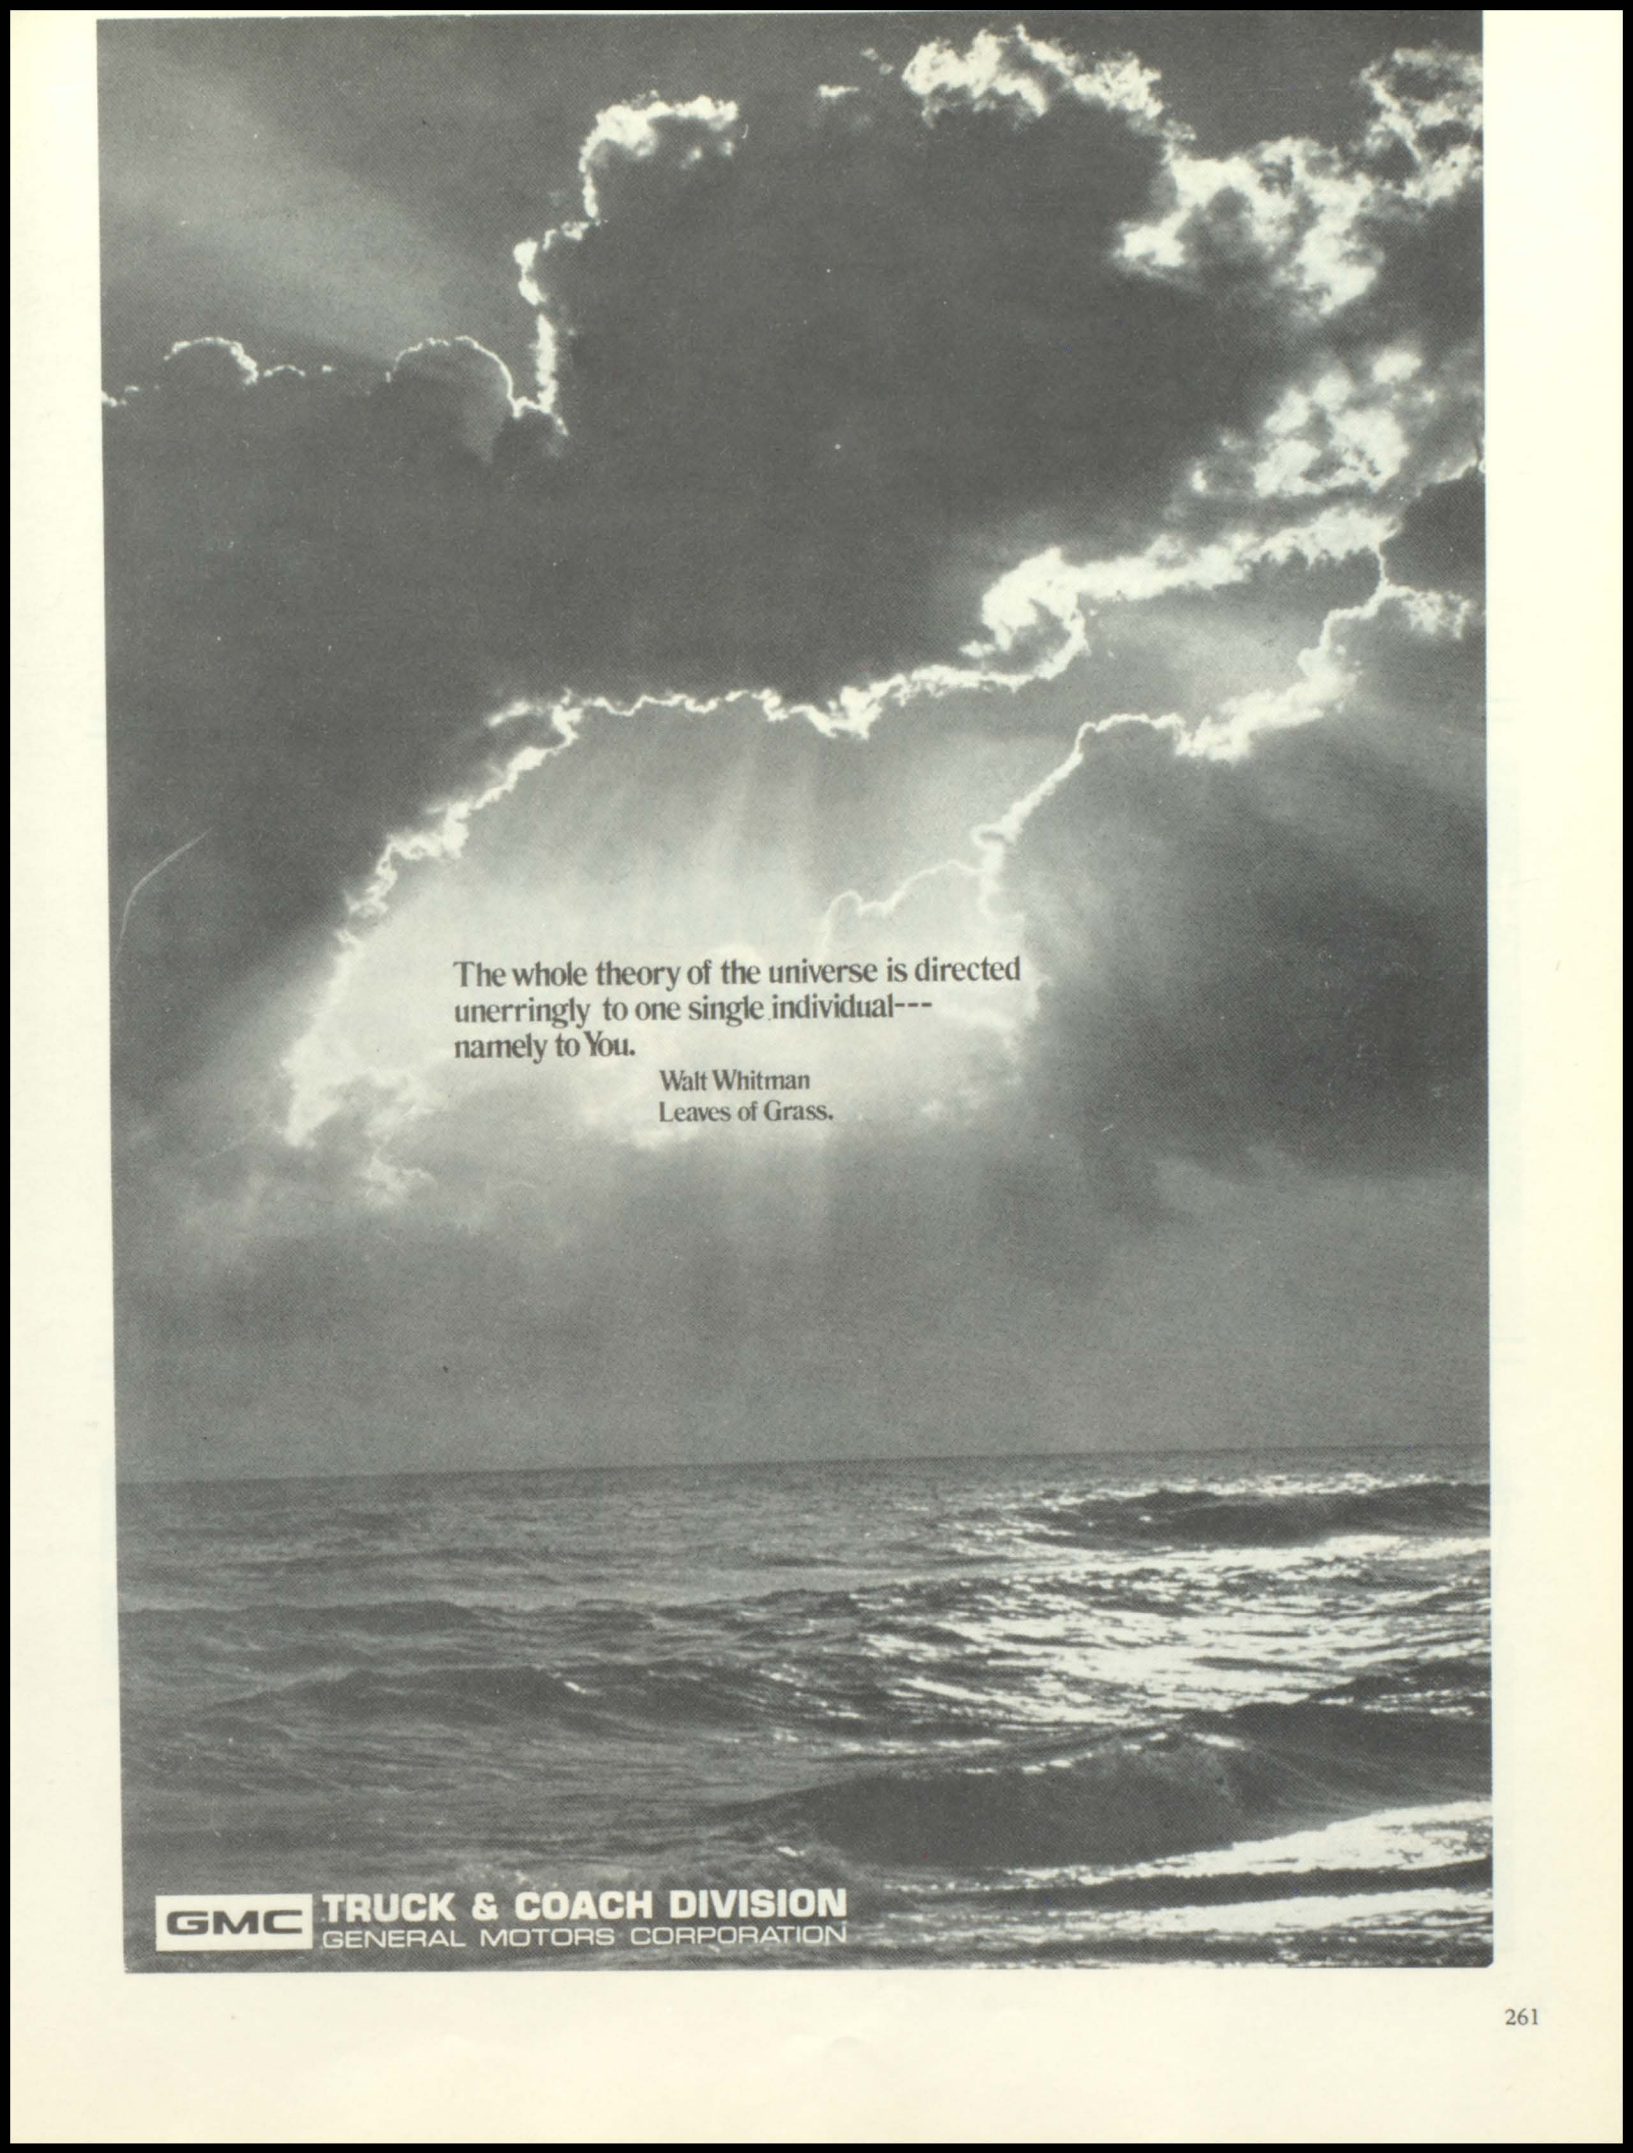

the satisfaction of doing something worthwhile and important.

But that's something you'll have to decide for yourself. It's easy to get the facts and there's no obligation. For information contact: Sgt. Jim Douglas, 301 W. 4th St., Royal Oak, Mich. 48067. Telephone 577-4140 or 547-4211.

Go ahead . . . Take a good close look at us. We'll look you over, too . . .

**HELP  
KEEP THE BALANCE**

One of the big challenges facing today's graduate is helping to conserve the limited supply of precious natural resources. As an individual, you can help by improving the quality of life in your home and community. Practice wise use of energy, learn to preserve and protect natural resources and you can *help keep the world in balance.*

Sunshine on my shoulder makes me happy.  
 Sunshine in my eyes can make me cry.  
 Sunshine on the water looks so lovely.  
 Sunshine almost always makes me high.

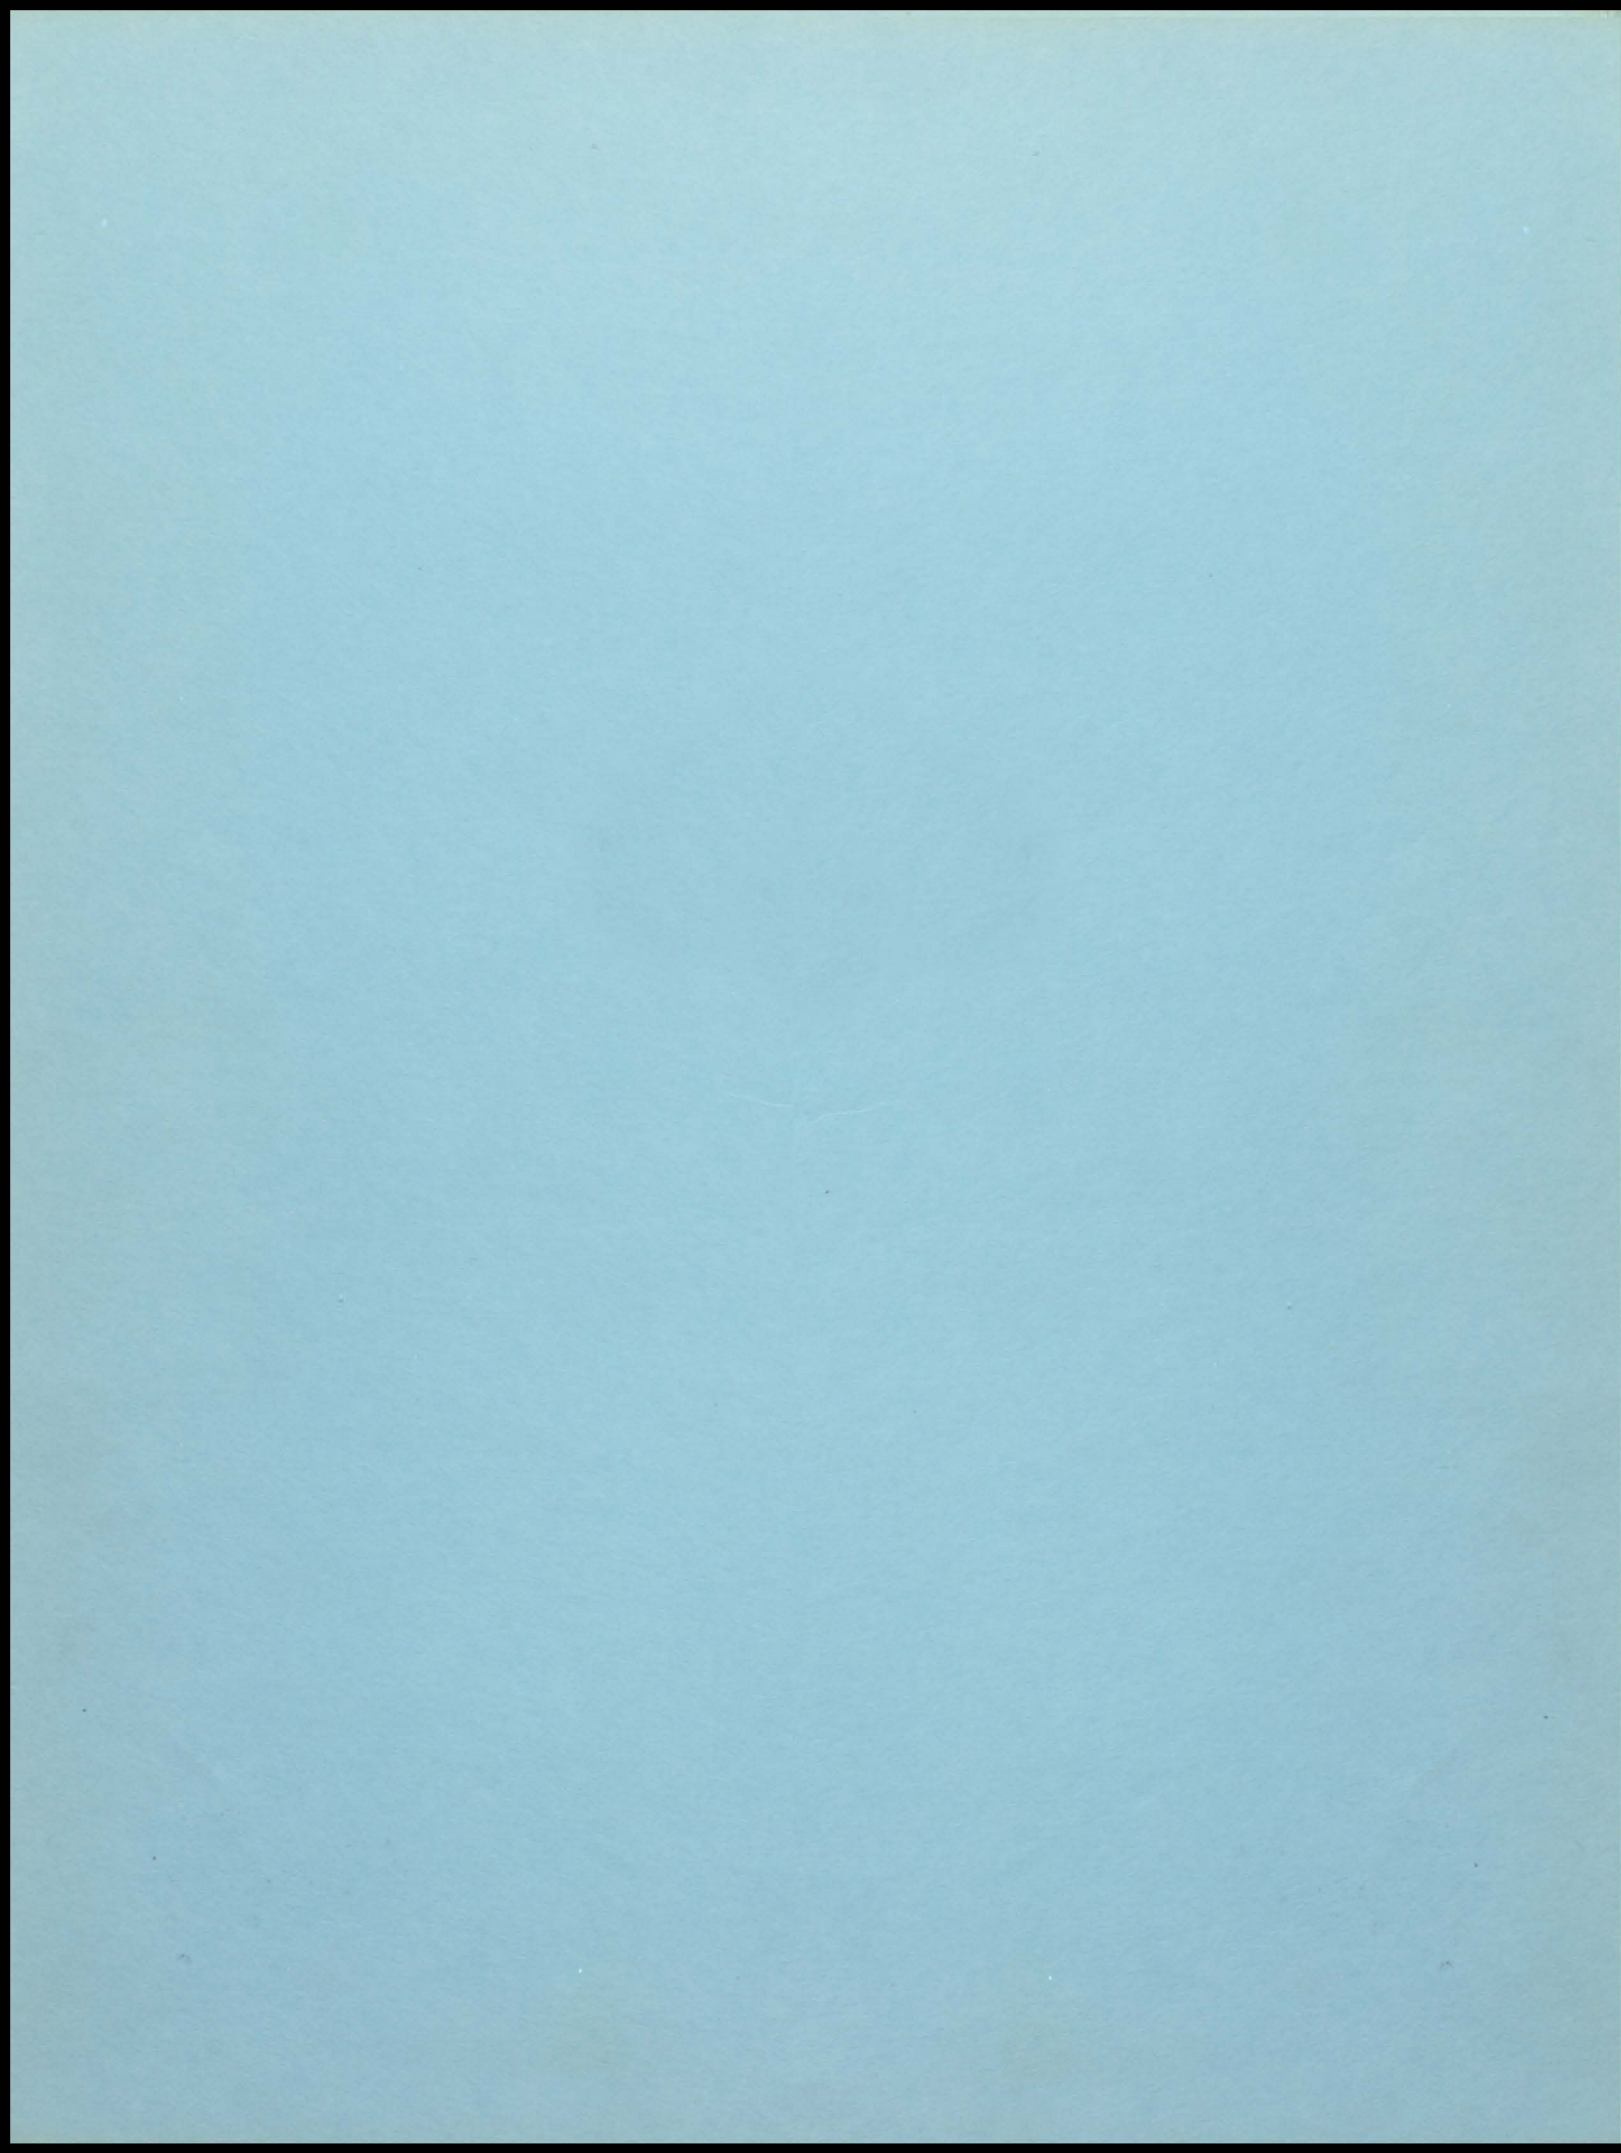

If I had a day that I could give you,  
 I'd give to you, a day just like today.  
 If I had a song that I could sing for you,  
 I'd sing a song to make you feel this way.
