Turning out a school newspaper is not as simple as one might think. The Acorners have once again had a successful year.

Ms. Boltz has taken over the job of advisor for the Acorn Staff. "A rule we try to abide by is to produce a news magazine which the whole student body will enjoy, and cover each possible activity," says Ms. Boltz.

This year the staff has twenty eight talented members. The Acorn is submitted to the student body once a month. Each year there are nine regular issues and one special edition called the "Smirker," which comes out on April first.

The Acorn Staff has once again done an excellent job!

Howard Matthews checks out the first issue.

Oh you've got to be kidding, remark Rick Grayson and Angie Connelly.

ABOVE: Sharla Scannell is stuck in the middle again. LEFT: Acorners enjoy the everyday routine of putting out their paper.

# You Asked For It-The Oak

The 1979 OAK had many new and exciting additions this year. Not only did the staff have a new advisor, Miss Boltz, but they had a new publications office in which to create a masterpiece. The staff, made up of select sophomores, juniors and seniors, decided to add new ideas to this year's book, such as boxed in body copy, working with free space and the fading of colors to create the seasonal moods.

The students, not only had fun making this year's book, but they also were given a chance at journalistic experiences in interviewing, writing, photography, graphics, and the art of conducting an advertising campaign.

The work of this year's students has made the OAK like no other book ever published at Dondero.

# Words Show Expression

1979 was a very good year for Dondero's literary magazine, *Genesis*. Comprized totally of students' poetry, short stories, art, and photography, the magazine is also published by students. Under the guidance and support of advisors Ms. Kay Brakeville and Mr. AD Stout, the Imaginative Writing class and *Genesis* club worked hard to produce the best magazine possible.

A new project for the group was "Revelations," a magazine which came out in March and contained *Genesis* members work-exclusively.

"Ain't it good to know, you've got a friend?", Ms. Brakeville and Trisha Thompson.

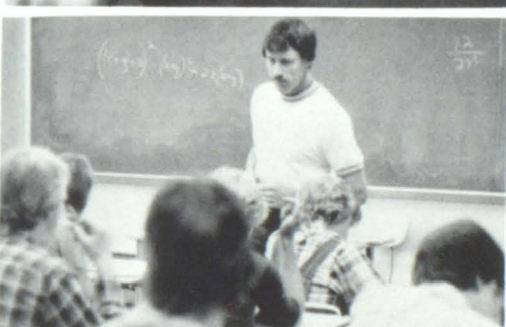

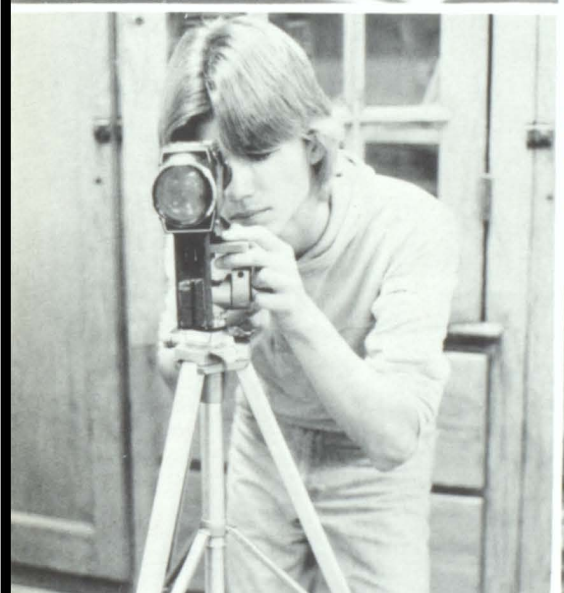

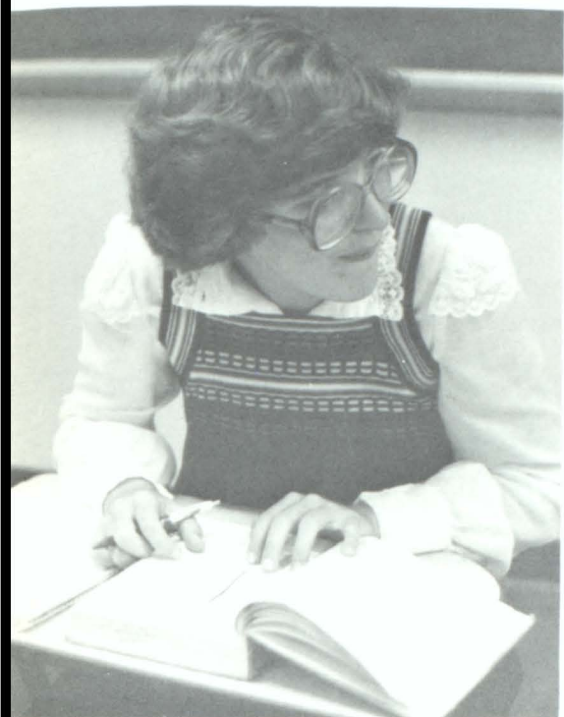

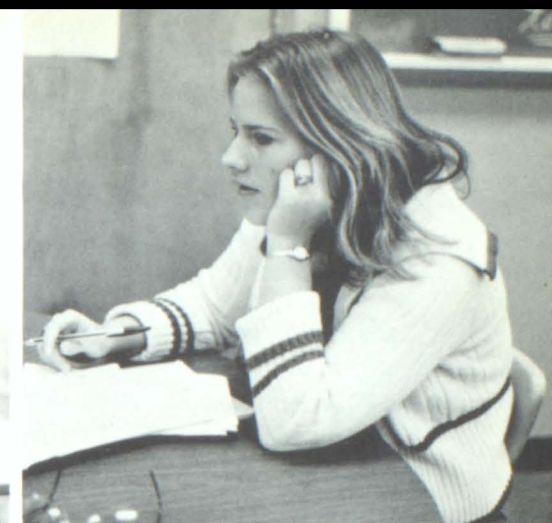

Curt Jenkins hasn't got time for the pain.

# Debater's Make Affirmative Appearance

1978-79 has been a challenging year for the Dondero Debate Team.

This year's resolution was "Resolved: That the Federal Government should adopt a program the will significantly increase the energy independence of the U.S."

In the Warren Woods Novice League Chris Dunne and Jim Schoettle won top school speaker honors.

The top J.V. speaker in the Middle Macomb Debate League was Bob McClory.

The top speaker in the Varsity division was Tom Hawkins.

In December, the top novice squad participated in the State Novice Prelims at M.S.U. After the regular season the debaters also staged demonstration debates before several English and Social Studies classes.

Named as most Valuable Debater this year was Tom Hawkins. Top Affirmative Trophy went to Cathy Anderson. Top Negative Trophy went to Dave Weber. Top Novice was Bob McClory.

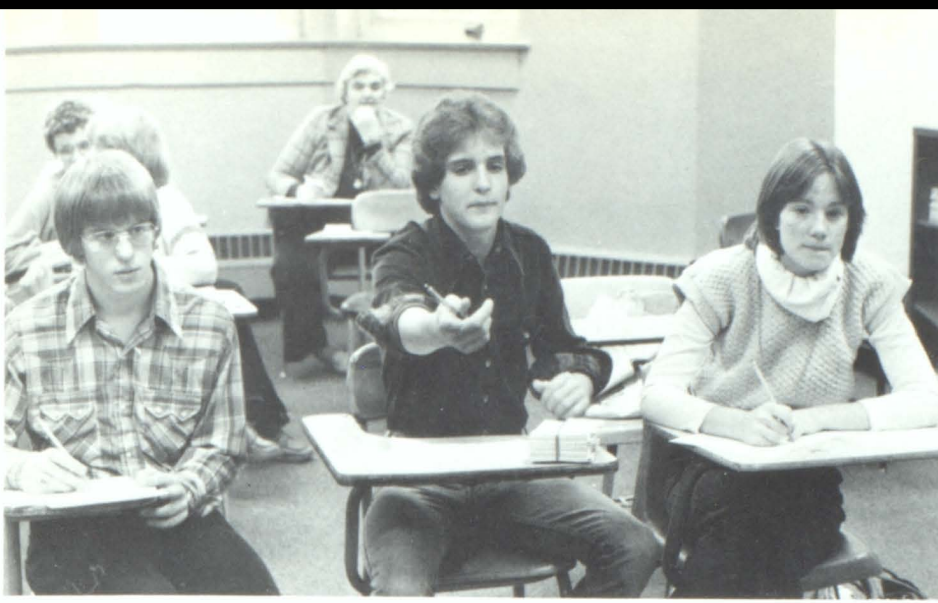

"What's your stand?", sneers Bob McClory.

FIRST ROW: (l.-r.) Laura Hood, Karen Phillips, Andrea Ferkany. SECOND ROW: Margie Kaser, Due Baudino, Angie Pielack, Kathy Beckman, Elaine Freeman.

THIRD ROW: Jim Schoettle, Paige Sommer, Koula Bonnier, Gary Antonick, Chris Connelly.

Gary Antonick and Chris Connolly clown around.

Cathy Anderson shows her opposition to a statement.

# Forensics Team Speaks Clearly

FRONT ROW: Shelly Ratcliffe, Doug Hillyard, Dan Ryan, Bob McClory. BACK ROW: Bill Forbush, Debbie Birkenhauer, Jim Schoettle, Chris Connelly, Chris Dunne, Mrs. Fleetwood, Angie Connelly.

The 1978-79 Forensics Team was smaller this year, but their enthusiasm was great. The team went to three tournaments this year and competed against many other high schools.

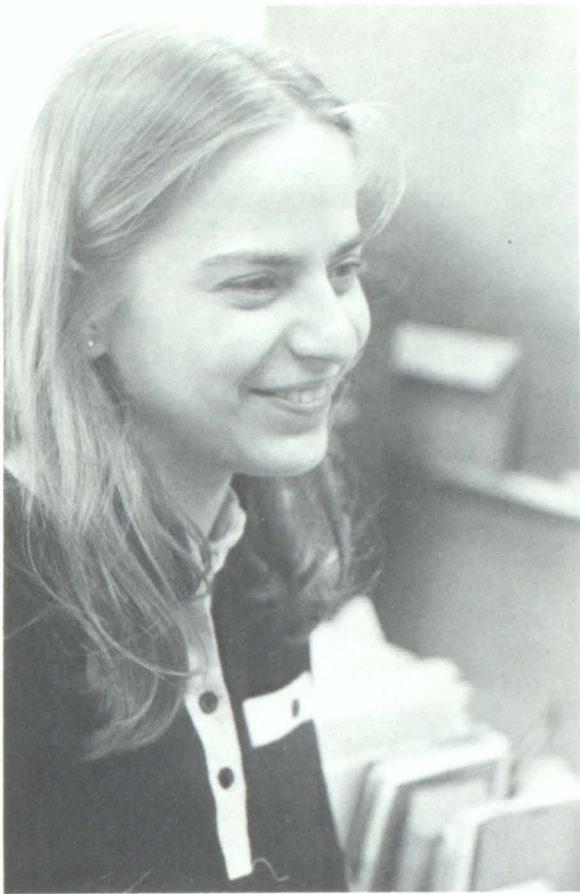

The Forensics Team was centered around individual competition in areas such as Radio Broadcasting, where the students must write, as well as read, for judging; and informative speaking, which defines or illustrates a concept. Impromptu, Serious, and Humorous speaking are on a time limit. Storytelling is the reading of children's stories, designed for a certain age group.

The spirit and success of the team was not only due to the talent of each student, but to their advisor, Mrs. Fleetwood.

# Math Adds Up to Success

The Math Department offers a wide variety of classes suited for its students.

Statistics and Computer Science are two newly developed course to advance the technique of teaching math.

The Math Department has ten teachers who instruct General Math, Basic Math, Extended Algebra, Algebra, Informal Geometry, Geometry, Senior Math, Computer Science, and Statistics for approximately 75% of the student body.

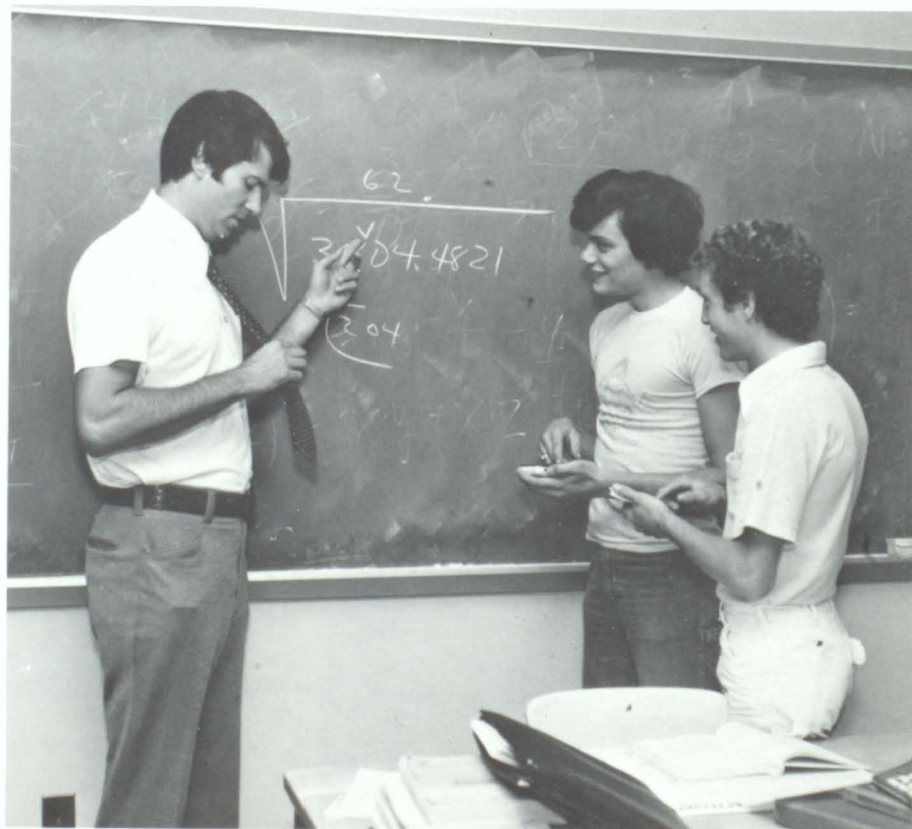

"We would like to see one hundred percent of the students involved in a math class in the future, for math is a backbone of everyday life!" added Mr. Deibel.

"Hello, it's me" says Doug Bliss to the computer.

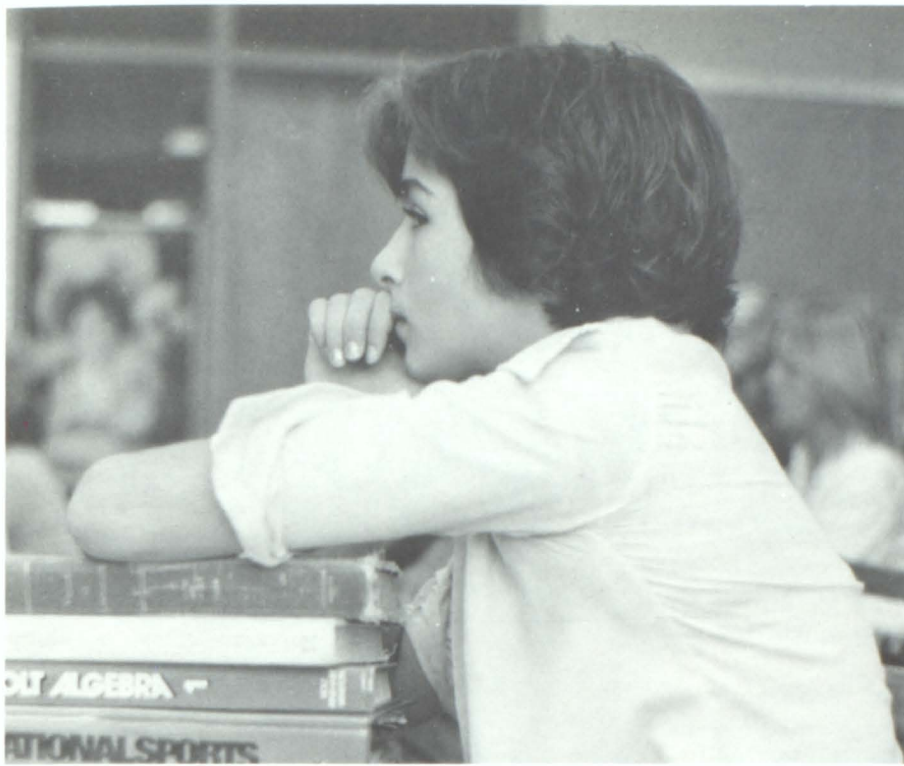

"I really do need someone to talk to." says Grant Morissette.

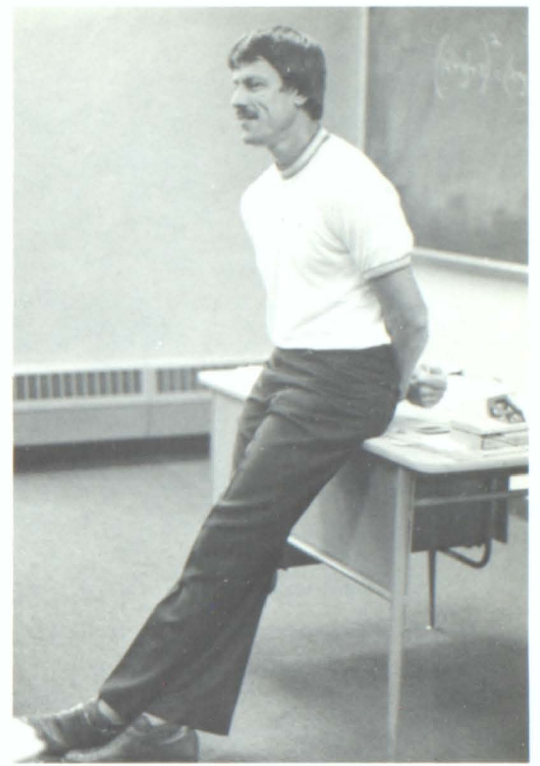

Brad Clark and Mike Lasley are "trying to get the feeling" while Mr. Barich demonstrates.

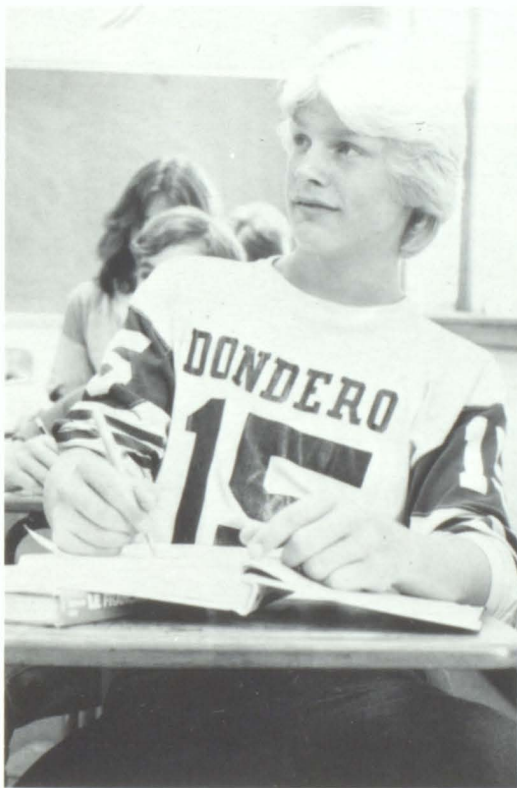

Tammie Olkowski is "at the point of no return."

Mr. Phelan's class "takes it to the limit."

Joe Trawinski says, "Hey girls gather round, look at what I'm putting down!"

"It's so easily found" discovers Don Picmann.

# Science Classes Are Exploring New Ideas

Using the new facilities to their advantage this year's science classes are having more fun and learning more things.

Science classes range from Astronomy to Honors Senior Science. In these classes one can learn anything from dissecting a frog to breaking down chemical compounds.

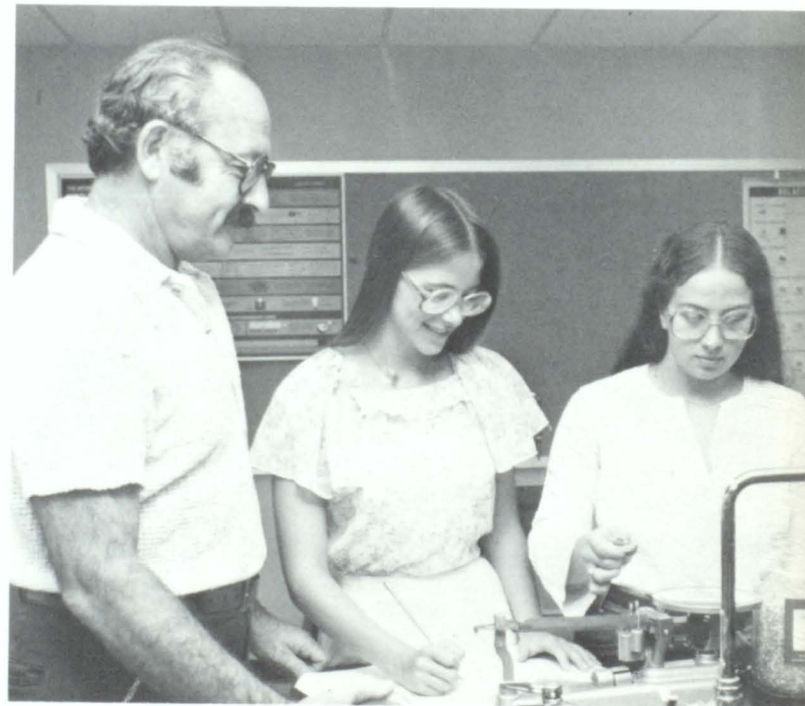

"Science classes are rewarding," says Mr. George Regetz, head of the department. "And they can be very helpful in your future."

T.C. Furlong assists Mr. McElroy in teaching Mike Balavich a lesson.

# Social Studies Develops the Mind

The Social Studies Department is one of the largest departments at Dondero. Some Social Studies courses offered this year were: American Government, Economics, Developing Nations, History of Religion, Model Government, Psychology, Sociology, and U.S. History.

Within the Social Studies Department there are fifteen highly qualified teachers to broaden each student's outlook on the world which surrounds them.

"Seems like a dream's got me hypnotized," says Todd Azarias.

Theresa Villerot wonders if anything could be better.

"At times I just don't know," says Lisa Fellmonik.

Dwain Chalker is "just lost in a masquerade."

# A Language of Communication

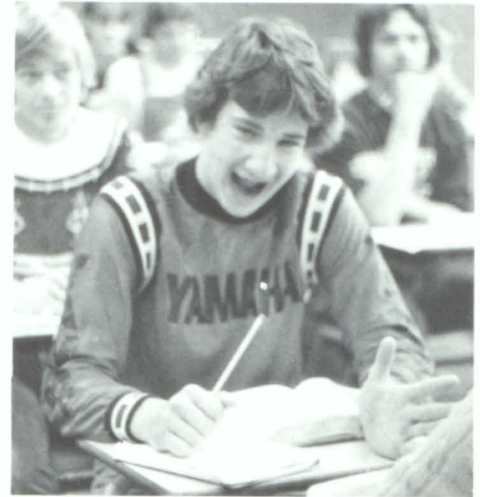

There are approximately thirty-three English classes offered this year that enroll about 1900 students.

The English Department is separated into basically two sections. First those that are product orientated such as Filmmaking and Performing Arts. Secondly those classes which teach the appreciation of literature, for example, World Literature. Plus classes in which students can acquire better writing skills such as Sophomore Composition and Imaginative Writing.

Even though English may be taught in very different ways, the objective is always to improve the ability to work with ideas whether written or verbal, and to transmit those ideas to others.

There are several speech contests that our English Department sponsors. They are as follows: the V.F.W., American Legion, Forensics, Debate and the Dondero Speech Contest.

The two biggest writing competitions are sponsored by Genesis, which in its own magazine features Dondero talent. Categories are poetry, short stories, essays and art work. The Scholastic Writing Contest, which has even more categories open, is sponsored by the Detroit News.

Foreign languages play an important role for many students here at Dondero. While most students are only in their first year, many of them are continuing their education in second, third, and fourth year classes. Students pursuing the knowledge of a new language once again entered the Oakland County Foreign Language Festival and did an excellent job. An international dinner was also held and was a big success. The languages offered this year are French, German, and Spanish. All proving to be both rewarding and fun.

The Dondero Marching Band had a very eventful season this year, competing in such competitions as the Michigan Invitational, the Cavalcade of Bands, Bridgeport Marching Competition, and once again hosting the Southeastern Marching Festival. Despite the fact of not placing high, the band, under the direction of Mr. Perkins and Mr. Winter, made a triumphant effort. Although eighteen seniors are graduating, the twenty-six freshman will carry on the band's high standards.

# Drama Club Has the Lead

"To be or not to be" is a question a lot of clubs have asked themselves. Drama is no different. But thanks to many hard working people, Drama has very successfully survived at Dondero since 1926.

The Drama Club's main goal is to produce two major productions a year. The year 1978 was a fine example. The '78 spring production was "South Pacific". The musical, set on an island in the Pacific during World War II, was performed on April 20, 21, and 22 in the Dondero Auditorium. The fall play, "You Can't Take It With You", a light-hearted comedy set in the 1930's in the home of Martin Vanderhoff, was produced on November 17 and 18. The spring production of '79 was "Fiddler on the Roof", a musical about a Jewish man named Tevye and the problems and pleasures of his family in Tsarist Russia. It was produced on April 5, 6 and 7.

A new project the Drama Club began this year was a Work Shop. Members put together one-act plays or skits and toured with them. Dan Brady, president, and Ms. Leslie Whalin, Director, organized and supervised the project.

The Dondero Symphony and Concert bands never stopped working this year. Staying busy with rehearsals every day to perform their best at music festivals and at three concerts, both bands played hard and for long hours. Keeping up with high standards is not easy and this year the bands showed us that it could be done.

## Dondero's Choirs Sing Out

A typical look of the A Cappella officers.

Dondero has a many-faceted musical department. A very big part of it is its five choirs: Freshman, Mixed, Girls', A Cappella, and Musical Minority. The Combined Choirs gave two concerts this year.

In December they performed the Winter Concert and in spring they presented the Spring Concert. Besides preparing for concerts the choirs worked many hours on their music theory.

This year Mr. Hartsoe took on quite a load. He is the director of all five choirs—over 300 students.

The Dondero Symphony and Chamber Orchestras expressed their fine talents again with their young musicians. Under the direction of Mr. Robert Brockett, this year's orchestra members rehearsed harder than ever to keep up their high standards. The orchestras performed well at both their winter and spring concerts, giving the audience an enriching musical experience.

The 1979 Pop Concert filled the auditorium with sights as well as sounds during the first weekend of March. Many new features, such as dry ice (to create a foggy effect) confetti, and slides to set the mood of songs were added to the performances.

A variety of songs was presented by the A Cappella Choir. They ranged from mellow songs, like "Baby Come Back" by Player and "Breakaway" by Art Garfunkel, to fast-paced favorites, such as "Mr. Blue Sky" by E.L.O. and "Love is Like Oxygen" by Sweet.

Eight solos and one duet completed the program. The number one soloist, Dave Riley, also did an encore number. The solos and duet were put together entirely by the students who performed the numbers.

# Art 'Colors

Mike Lasley grins at a cutting remark.

Jenelle Scott concentrates on clay work.

There are four Art Classes altogether, although they are very individual classes. In Art I, which is an annual course, students learn basic art procedures such as color theory, perspective drawing, figure drawing, and lettering. Art II, which is also an annual course, teaches three-dimensional art, sculpting, carving, paper structure, and printing. In Advanced Art students use the skills and techniques learned in Art I and Art II and work on various projects throughout the year which last 3 to 4 weeks each. If you like to make things but don't wish for an annual course, there is Arts and Crafts which is a semester course that lets you work with macrame, decoupage, papermache, and clay mosaics.

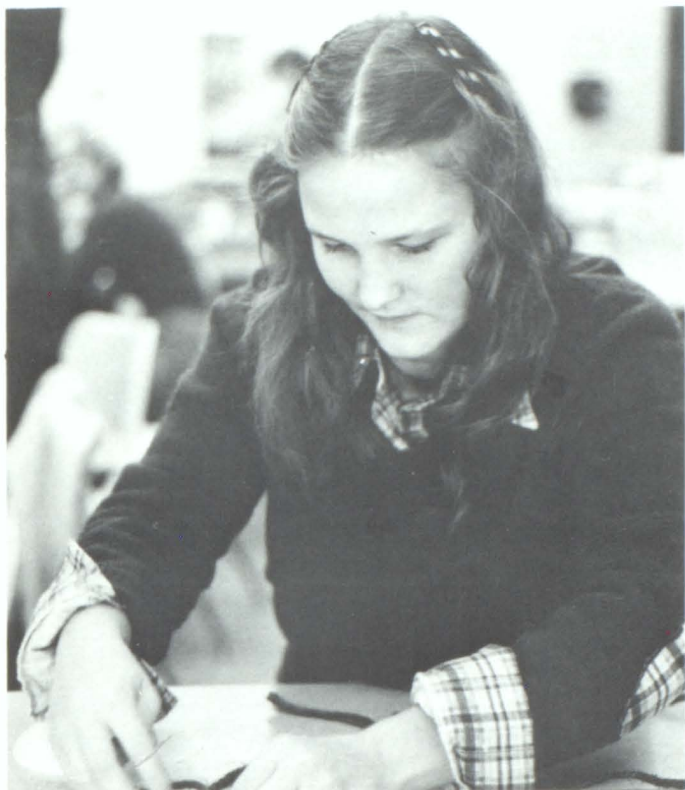

For Seniors with exceptional talent there is a Senior Art Contest. It is open to any senior that has had one Art Class. You need 15 pieces of art work to enter. They may be accumulated over a period of years. Entries are required to be mixed with much variety, such as: painting, clay, sculpture and/or weaving. The judging takes place the last week of May. Faculty and/or students are asked to vote. The prize varies from year to year. Money, a gift, a certificate or any combination may be presented to the winner.

# Voc-Foods, What You Got Cookin'?

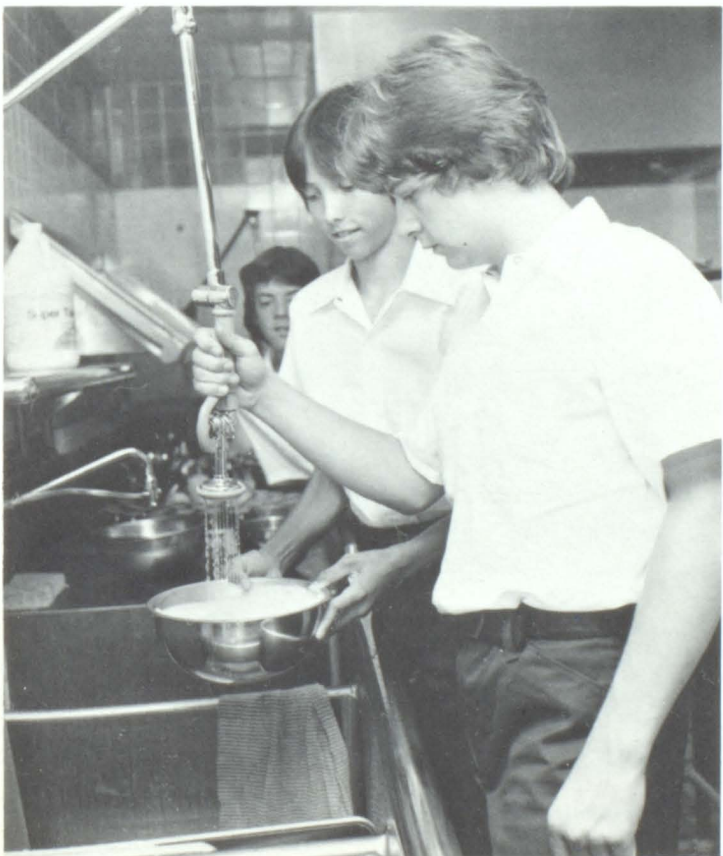

Hey, John Morton, let's take a peek in the fridge.

The new Vocational Foods restaurant here at Dondero has gained a favorable reputation for delicious food as well as a clean and friendly atmosphere. While junior students prepare for 2 years in the Voc-Foods program, they get valuable on-the-job work experience. Their work ranges from janitorial duties to preparing the food. Dondero students learn here first, second and third hours, while Kimball students work fourth, fifth and sixth hours. During the second semester the hours are switched between the two schools. The restaurant, named "Golden Oak", serves a luncheon between 11:30 a.m. to 1:00 or 2:00 but is not open to the student body because of limited seating (35).

# SEOVEC: A School Away From School

Seovec is an extension of school for many Dondero students. The classes are geared towards the development of skills not taught in Dondero's corridors.

Many students were enrolled this year. Some of the courses include: Floral Design, Commercial Art, Optical Mechanics, and Cosmetology.

## Home Construction

Chuck Steele sits in the threshold.

Why learn to work if you can't apply it to your way of life? The kids involved with Home Construction don't ask that because they already work on the job. The house they create will be sold on the regular home market. Each of those involved should be proud of their fine work. Dondero should be as well.

The guys and girl love construction work.

# Home Economics

The basis of Home Economics is learning to apply everyday skills. It gives the students a chance to make decisions in planning a family and its environment.

Our Home Economic teachers are now better qualified, because our facilities have been greatly improved due to Renovation. Dondero is better equipped to handle this growing concern for the knowledge of basic living.

# "Co-op", Easier Said Than Done

Many seniors this year had an opportunity through Co-op to try their hands at jobs. Choices ranged from retailing positions to nursing co-op at Beaumont Hospital. Students worked from two to four hours, and some were on call on week-ends, depending on special job shifts. Their efforts paid off in valuable work experience as well as salary. Co-op was truly one of the best plans around for "learn and earn" schooling.

# THE ART OF... INDUSTRY

The Industrial Arts Department is comprised of 6 teachers and more than 500 students. The department, headed by Mr. David Jaska, teaches a variety of classes including Metal shop, Wood shop, Auto Mechanics, Mechanical Drawing, Architectural Drafting and Auto Maintenance. These courses teach students skills that they can put to use in future careers.

This section, featuring students who held COMMUNITY JOBS this year, is limited to a representative sample. Dondero students led busy lives in both in and out of school, and hundreds of them contributed to the community by working in Royal Oak stores, restaurants, offices and other businesses. Some interesting jobs that have been left out include: teaching violin, YMCA receptionist, theatre ushers, and shoe salesmen.

# These Classes Get Down To

Let's start at the very beginning... you begin with A, B, C,... and Mrs. DiBiase thinks it's a very good place to start.

The Business Department had to struggle again this year with many unrenovated rooms. A few rooms have been finished, but according to Mrs. Bonacor, "We still have to work in these old crowded rooms." Regardless, many students have taken advantage of our Business Department.

# Check Your Mate

The Chess Club wasn't very big this year (five members), but what they lacked in numbers, they made up for in determination, determination to excel at a game that is one of the most intellectually challenging and rewarding in the world. The club is one of the charter members in the MSAA. They have done very well in the past, and they expect to carry on that tradition. The sponsor for this year is Mr. Race.

The National Honor Society (NHS) continued its tradition of excellence this year under new sponsor, Ken Noble. During the year, the NHSers did many interesting things: caroling at a convalescent home, managing the annual Sweetest Day flower sale, and selling Christmas Mistletoe. The officers of the National Honor Society this year were Sharla Scannell, President; Chris Connelly, Vice President; Sandy Bassin, Treasurer; and Paige Sommer, Secretary.

# Is There a Doctor in the House?

With a little luck, today's members of Dondero's Medical Careers Club will be the doctors of tomorrow. Such activities as visiting hospitals, running the blood bank, touring the Detroit Science Center, and doing volunteer work at Providence Hospital, have started them off in the right direction.

This year's officers, President; Peggy Schroeder, Vice President; Betty Beebe, Secretary; Zoona Hussain, Treasurer; Kyle Rancourt, and advisor Ms. Tongring-Wilson did a fine job and worked very hard to make the club a success.

# Deutsch Klub 1st Durte!

The German Club has had another busy year, lead by President Chuck Falvo, Vice President Chris Connelly, Treasurer Kim McCleary, Reporter Margie Kaser, Secretary Chris Johnson, and Advisor Mr. Price.

Their activities, including Christmas caroling, roller skating, and their annual dinner at The Little Cafe, were partially paid for by the profits from their candy and Advent calendar sales. They also sold jelly, and shared those proceeds with the Royal Oak Jay Cees.

The 1978-79 Student Senate accomplished many things thanks to the leadership of President, Shelley Ratcliffe; Vice-President, Kim McDonald; Secretary, Susan Lark; Treasurer, Janet Alsup; Parliamentarian, Erin Axelson and their hard working Advisor, Mr. Richard Rockwell.

The year's events included a canned food drive for needy people, a press conference in the spring, donating funds to Channel 56 Auction, and working at the Jay Cee's Haunted Forest. They continued to sponsor their foster child, Estee, and adopted an animal from the Detroit Zoo.

# Bowlers Strike It

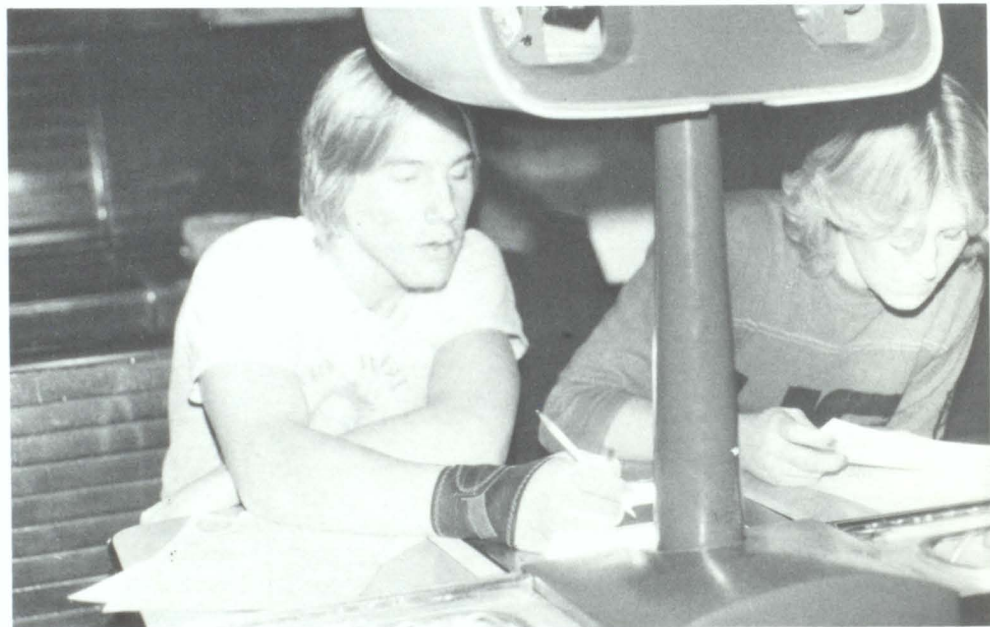

The Bowling Club was very successful this year, with membership surpassing the 100 member mark. With the help of sponsor Mrs. Hunter, the Bowling Club again reached for the pinnacle of excellence. The Bowlers hurled regularly at the Royal Oak Bowling Lanes. Many of the members look back to a great season. Says Jr. Sue Larke, "We're only second this year, but no. 1 is our goal."

Looking on are Mrs. Hunter, Alan Dewolf, and Jane Kinzey.

# Ya Gotta Have Art

"Ya gotta have art, all you really need is art," is a very apt description of the people the art club. Led once again by Mr. Fischer, the art club flourished this year. Every Monday after school the artists met to discuss projects and techniques and to work on their own individual projects.

# Oakettes; Put Your Dancin' Shoes On!

The 1978-79 Oakettes made a lot of changes. They invested in new uniforms, black leotards and dancing skirts. They performed three dances throughout the basketball season. Each dance had a different kind of style. Some of the songs they used included; "In Hollywood," "Chant," and "Mambo Jombo." Their sponsor, Denise Doan, is very proud of their achievements. Sarah Hansen acted as their captain, with Erin Axelson as co-captain. They practiced long and hard, up to eight hours a week, and it really showed in their dances. Most of the group planned to participate again next year, with the exception of the group's only graduating senior, Sherry King. Although they started out inexperienced and a little nervous, they proved to be very talented and spirited dancers.

The best is yet to come, Tina King.

Senior Nick Daws won't let anyone push him around.

Teamwork is what it is all about.

Even for Wade Gravlin (38), the Groves game was tough.

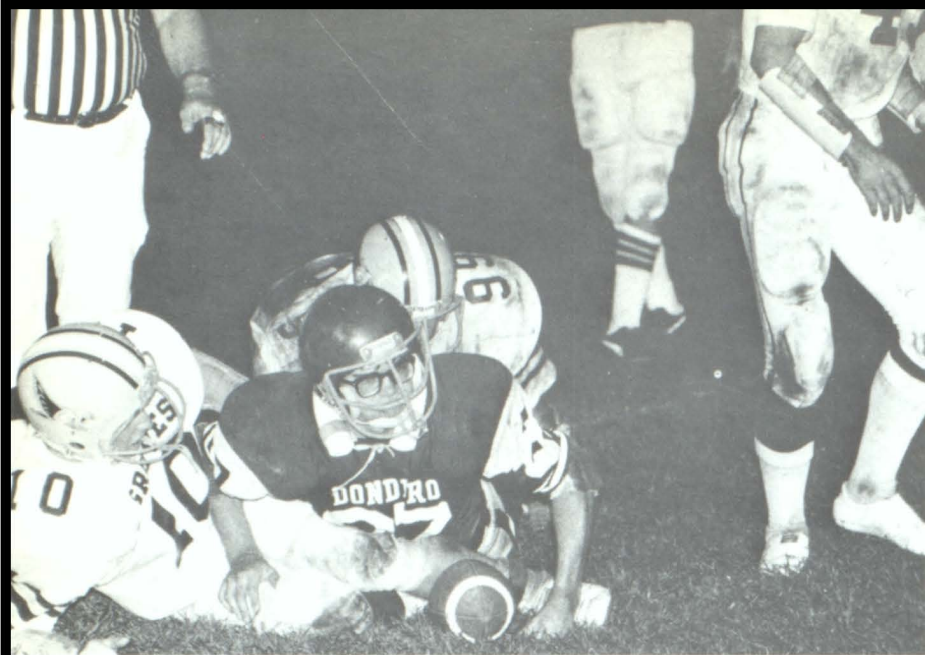

The Oaks finished 6-3 in one of the fiercest seasons they've encountered in years. Losses to the three toughest teams in the area: Birmingham Groves and Seaholm, along with Royal Oak Kimball, defeated the team's chance for a championship season. Lead by Senior Co-Captains Wade Gravlin and David Glick, the Dondero defense held their opponents to 99 points. Whereas the offense, lead by Junior Fred Crawford and Senior Chris Ray, compiled 176 points of their own.

A big hand should be given to Head Coach Ivy Loftin.

Curt Clary never goes down without a fight.

Mark Cummins is "Kickin' it out!"

"Hurry up, they're rushing fast!" says Rich Burks(11)

Steve Bossenberry(28), and Dave Glick(61) are looking out for number one.

# Juniors Unable To Hold on

Although both powderpuff teams were smaller in number than last year, there still was enough talent in the Seniors to pull out the victory. The Juniors managed to hold down the Seniors up until the final minutes. Julie Stevenson scored the only touchdown of the game, off of an interception pass from Junior quarterback, Jenny Stark.

Junior coaches: Tom Criger, Fred Crawford, Steve Bossenberry, Kurt Ostrow, Tim O'Rourke, Ken Kernen.

Senior coaches: Stan Babinski, Wade Gravlin, Dave Glick, Dave Quarters, Chris Ray.

Determination shines in Julie Stevenson's eyes as she eludes Sue Smith.

# Spike the Punch!

To work together as a whole, was the main idea for the Varsity and Junior Varsity teams. Senior co-captain Nancy Larke, voted all-league and M.V.P., had a very successful season powering her spikes over the net with tremendous speed. LaVonne Miller, who was Honorable Mention in the league, and co-captain Nancy Liponoga are the other seniors that left the team.

The J.V. team did fairly well this season. There is a lot of potential for next year's Varsity squad. Two of the most talented were Vicki Bonar and Nancy Kalter, who shared the M.V.P. award of the J.V. team.

J.V. coach Mr. Eberhardt, shows us his form for winning.

Defensive plays, this one by Fred Crawford, led to many great games.

Nick Daws certainly isn't going to let this opponent get by him.

The Boys' Varsity Basketball Team suffered a disappointing season due to lack of experience. Because of this, teams the Oaks encountered battled long and hard, leaving the players with a losing season.

What the Oaks lacked in experience, they made up in determination. It was not uncommon for the team to battle against a strong opponent, only to lose in the waning seconds of the game.

The J.V. and Frosh squads both finished strong in their individual leagues, with the JV going 13-6 and the Freshmen 11-8. The teams were taught well, judging from those impressive records.

J.V.-BACKROW: John Minton, Eric Simmons, Nathan McHugh, Mike Bjornberg, Dave Otto, Steve Dungan, Dan Bruton, Jim Lama, Paul Calverly, Nick Difazio, Tom Schmit, Doran Cushing, Malcolm Alexander, Mike Allard, Stewart O'Callahan. FRONT ROW: Coach Boyd, Tony Travino, Coach Eberhardt.

The 1979 season turned out the best Varsity and J.V. teams and records in years.

# Girls Go Undeclared, Again!

Cheryl Price really ate her Wheaties today.

The 1978 Girl's Track team went undefeated for the second year in a row. Beth Schlickemeyer was the most outstanding member, excelling in the running and jumping events. Cheryl Gulli was named best freshman. Coach Evans is hopeful that next year's team can still improve over this year's.

The Varsity Baseball team, coached by Mr. William Boyd and Dan Busto, compiled its best record in many years. They finished with a 9-6 record, league wise, and a 13-11 record overall. Coach Boyd thought that this team was better than its record showed, though. The Oaks will be getting plenty of talent from the J.V. team, which went 8-9 this year. Lead by Sophomores Mark Lasley and Bob Seeman, this Junior Varsity team finished strong in their league, beating out many tough opponents.

The Girl's Softball team put together a winning season last year, as they finished first in their league and also their district. Lead by seniors Tracy Farlow and Karen Austin, the Oaks finished 25-7 overall. "This team had lots of talent. They worked together like a team should and played with enough professionalism to have a great season." explains Coach Bryce.

Both coaches feel the two spots opened by graduating seniors, "Will be filled by many competent players next season." Mr. Streeter, J.V. Coach, attributed the J.V.'s 9-5 record to the girls great talent.

League Record 2-3

Overall Record 6-8

Dondero Splashers had an unfortunate season winning only six out of fourteen meets. Senior Co-captains Loren Wolfe and Bruce Robertson left a trail of record breaking achievements. Loren placed second in the 100 fly, by only a thousandth of a second, and fourth in the 100 backstroke in the league meet. He went to State for both events. Bruce placed fourth in diving and went on to the regionals.

Juniors Dave Miller and Chris Johnson had a very fine year. Dave was League champion in the 100 freestyle and second in the 200 freestyle. He went to State for the 200 and 500 freestyle. Chris placed ninth in the 500 freestyle. The 400 freestyle relay team, consisting of Loren Wolfe, Dave Miller, Chris Johnson, and Gary Antonick, placed third in the league meet.

We have a very special man that we will have to say good-bye to this year, a man who has been with this school almost as long as its existence, custodian Harry Shaw. We all love him dearly and wish him the best of health and luck in years to come.

"You see things as they are; and ask - why? But I dream of things that never were and ask - why not?" Loren Wolfe.

Mike Leslie has only just begun. (Below) "My other world is just a half-mile away," says Brian Ferguson.

## C.C. Isn't "Running on Empty"

The Boy's Cross Country Team compiled numerous victories this season. The captains, Mike Lasley, Brian Ferguson, and Mike Leslie, led their teammates to a seven and two record. They were runners-up in both the League Meet and the State Regionals, placed sixth in Oakland County, and were twentieth in the state of Michigan.

Girls' Cross Country is full of energy and enthusiasm, and for a good reason: they haven't lost a meet in two years! Their outstanding record consisted of eight wins and no loses. The girls were runners-up at Oakland County, League Champs, and they placed sixth in the State Regionals.

The captains this year were Nancy Liponoga and Lori Greenwood. Nancy was the first girl in the history of Dondero Cross Country to be invited to the State Meet.

In addition, the officers provided bands for the mixers, and counted thousands of ballots for the Mock Election and the election of the class of 1980 officers.

With the resignation of Trish Thompson in January of 1979, the Senior class elected Rich Knofsky as Vice-President. Stan Babinski moved up to the position of President, while Cathy Till, secretary, and Monica Schmit, treasurer, remained. Henry Pishko was the advisor.

# Of Queens And Kings

Most High Schools share the yearly tradition of choosing a King and Queen. Most schools do not, however, have five couples as handsome as Dondero's 1978 Court. A final decision had to be made, but it was not an easy one. The outcome left Lori Lampman Queen and Stan Babinski King.

The four runner-up couples were Dennis Murphy and Andrea Butkevich, Wade Gravlin and Kathy Austin, John Lyle and Diane Noonan, and Ted Nick and Julie Stevenson.

Congratulations to all the couples. The 1978 Senior Class can be proud of its Homecoming Court.

## We May Never Pass This Way Again

Life, so they say, is but a game  
And they let it slip away.  
Love, like the Autumn sun  
Should be dying  
But it's only just begun.

Like the twilight in the road up ahead  
They don't see just where we're going.  
And all the secrets in the universe  
Will take us up, always up.  
We may never pass this way again.

Dreams, so they say, are for the fools  
And they let them drift away.  
Peace, like the silent dove, should be flyin'  
But it's only just begun.

Like Columbus, in the olden days,  
We must gather all our courage,  
Sail our ships out on the open sea  
Cast away all our fears  
And the years will take us up, always up.  
We may never pass this way again.

I wanna' laugh while the laughin' is easy.  
I wanna' cry if it makes it worthwhile.  
I may never pass this way again.  
That's why I want it with you.

'Cause you make me feel like I'm more than a friend.  
Like I'm the journey and you're the journey's end.  
I may never pass this way again.  
That's why I want it with you.  
We may never pass this way again.
